Maxwell, 2001 If You Think It Linda Sauget, 2011-09-28 The greatest thinkers teachers and philosophers all agree on one important lesson our thoughts create our life What we think about comes about If You Think It reminds us that our lives move in the direction of our thoughts Are you predominantly optimistic or pessimistic Positive or negative We may not know which came first the chicken or the egg But we do know this first comes thought then comes results It may be counterintuitive but what happens to us does not color our view of the world Our view of the world colors what happens to us Understanding that one small point can change everything That is the power and importance of this teaching **The Christian Leader**, 1928 The Spirit of Missions, 1923 Includes the proceedings of the annual meeting of the Society *The Congregationalist*, 1929 **Around My World** Jason Thiessen, 2012-07-19 In life we are occasionally faced with detours Some of them are thrust upon us just when we think we have life all figured out Sometimes however they are self created We choose to take them driven by some inner desire or passion Author Jason Thiessen's extraordinary adventure was just such a detourborne of the dreams of a young boy with only an atlas as his guide to an unseen world Nearly thirty years after those dreams began they became a reality Thiessen a man with a wife a career and a mortgage set out on a journey of discovery to find purpose and meaning while attempting to answer lifelong questions His detour from an otherwise traditional life path took him to South America Africa the Middle East Europe India Southeast Asia and Australia ultimately traveling twice the distance of the circumference of the earth Just as his adventure brought him from the heights of the Andes to the depths of the Dead Sea so too did Thiessen take an emotional journey from feelings of excitement fulfillment and joy to those of anger frustration and despair **Around My World A Detour on Life's Journey** tells a story for anyone who is on their own journey to reconcile modern day pressures and realities with the insights that world travel can bring to one's life **The Universalist Leader**, 1928 **The Leader's Mind** Jim Afremow, PhD, 2011-11-09 Clear and concise steps to develop the confidence and mental edge that sets you apart as a trailblazing leader the same approach thousands of professional athletes have used to become champions The Leader's Mind taps into the same tips and techniques honed by top tier athletes such as how to get in a zone thrive on a team and stay humble to become a champion at work and the ultimate team player at home Based on high performance psychology research and Dr Jim Afremow's two decades of experience providing mental training services across the globe to athletes and business leaders The Leader's Mind will help you master Valuable leadership lessons through powerful parables and stories from well known leaders The actionable steps leaders
