Thinking Spiritually:

Thinking Spiritually in Small Groups Dann Wigner,2022-05-09 Mystical experiences are happening every day yet as amazing as the experiences can be it is often difficult to integrate these experiences into the rest of life In light of this difficulty I have created mystical reflection as a simple method for sharing one s own mystical experiences in a group setting and listening to the experiences of others in a non judgmental way The theological principle at work here is that if God speaks then everyone can benefit from it Mystical reflection takes this principle seriously and offers a method of application for integrating the spiritual insights into each person s spirituality *Thinking Theologically* Eric D. Barreto,2015 Thinking theologically is not just a cerebral matter thinking theologically invokes an embodied set of practices and values that shape individuals and communities alike Thinking theologically demands both intellect and emotion logic and compassion mind and body In fact this book will contend that these binaries are actually integrated wholes not mutually exclusive options In a collection of brief readable essays this edited volume as part of the Foundations for Learning series emphasizes the vital skills practice and values involved in thinking theologically Dying Church, Rising Body Harald K. Haugan,2010-08-27 Dying Church Rising Body centers on the need to reclaim the Biblical emphasis on church discipleship and growth the way it was done in the 1st Century Too many churches have compromised with contemporary culture both in structure and faith thus the first half of the title Dying Church The first century church of Peter Paul John and the other Apostle s grew through their witness to Jesus Christ and making disciples whose interpersonal ministries and evangelism developed through the use of spiritual gifts thus the second half of the title Rising Body Paul especially emphasized this method of developing thriving bodies of believers whose concentration was on heart and relational transformation as opposed to buildings superstar preachers doctrinal differences denominational competition and traditional worship forms *Timeless Series: A Spiritual Compilation* Clayten Tylor,2023-09-23 This is a collection of seven previously published books on spirituality The series starts with The Feeling to vivify our body to spiritual Life Next is Love Light and ten attunement exercises to experience the Limitless Light Then comes Conjugal Love Our Path of Return where we learn to Will the affection of mutual love for spiritual healing After that we read Timeless Life The 365 Day Self improvement Plan to learn how to invoke an out of body sensation of being infinite and eternal From there we take on The Great Work Obtaining Inner Power and Virtue to discover the happiness and delight from willing what is good We then graduate to The Affection of Love How to Invoke an Influx of Spiritual Good and practice invoking an influx of Conjugal Love for our own spiritual regeneration Finally we read Good Truth The Art of Spiritual Balance to unite the inner and outer self to discover the centre point of spiritual balance within The Apocalypse Explained According to the Spiritual Sense Emanuel Swedenborg,1894 Conjugal Love: Our Path of Return Clayten Tylor,2019-03-04 Conjugal love is the Divine as a feeling It is the spiritual heat and light of every soul It is the feeling of gratitude to the Universe together with the feeling of mutual love to the neighbor To receive conjugal love

requires that we first will the affection of love upwards and outwards In this way we expand our sense of self to get a glimpse of the feeling of the four fold rhythm of Divine order Once the sensual rhythm of Divine order has been established as the feeling of love it purifies our feeling of self of its identification and attachment with the physical body This new spiritual perspective transforms our sense of self from personality to individuality which then awakens the feeling of conjugal love The feeling of conjugal love is our Path of Return Within the flow of the feeling of conjugal love we can sense our spiritual self first as the feeling of profound peace but then as higher states of love as feelings of being infinite and eternal

Spirituality and Knowledge Dynamics Raysa Geaquinto Rocha, Paulo Pinheiro, Marcia d'Angelo, Constantin Bratianu, 2024-09-03 Can spirituality unlock the full potential of your organisation Spirituality and Knowledge Dynamics offers a groundbreaking exploration of how spiritual practices wisdom traditions and contemplative approaches can revolutionise organisational effectiveness and well being This seminal work brings together cutting edge research from a distinguished panel of sixteen scholars across fourteen nations illuminating the transformative power of integrating spirituality into knowledge management and strategies Divided into two thought provoking sections the book first delves into the theoretical underpinnings of knowledge fields spiritual knowledge management and spirituality as a meta story The second section presents empirical insights across diverse contexts including communities the workplace higher education and entrepreneurship Through its profound and multifaceted content this book challenges readers to reimagine the role of spirituality in driving organisational success and personal growth Whether you are a researcher practitioner or educator in management knowledge management or higher education Spirituality and Knowledge Dynamics offers invaluable perspectives on harnessing the power of spirituality to enhance knowledge dynamics and create thriving purpose driven organisations Embark on a transformative journey that will reshape your understanding of the intersection between spirituality and organisations

The Philosophy of Spiritual Activity Rudolf Steiner, 1922 *Thinking with the Heart* Horace E. Allen, 2004-02-01 A person can do nothing that does not come from his heart Have you ever wondered why you re not further along in your spiritual life Often when you think that you are ready to move forward in your walk you soon discover that some of the old issues you thought had been dealt with surface and you find yourself stumbling over them again Thinking with the Heart will not only explain to you why those issues are so tenacious but will take you through the process of resolving them so that you can begin the progressive spiritual growth you so long desired Within these pages you ll discover The immaterial heart is the center of man s being How the experiences stored in the heart effect a person s actions The roles that the emotions thoughts personality and conscience play in our lives Ways to resolve past issues and move onto spiritual maturity How to get a new sanctified heart If it is your desire as so many do to become all that God wants for you Thinking with the Heart is for you
