Two Escaping The Last Battle:

Two Escaping The Last Battle Brunhild Rajaniemi,2004-08-30 Two Escaping The Last Battle is a dramatic true story about two Berliner girls my girl friend and I who escaped on April 22 1945 at 11 30 AM just in time to avoid the cruelty and raping by Russian Soldiers One day later Russian soldiers entered my grandparent s home This story is dramatic and encounters danger wit ingenuity comedy love and disappointment The dialog dispersed with a German accent is as close to the native speech as possible This is a great story there was suspense almost every day People who read my rough draft could not put it down Their comment was that it would make a great movie My girl friend and I prayed many times to the lord and He must have heard us because here I am writing this story *The Wall* Christopher Hilton,2011-07-31 For almost three decades the Cold War was focused on Berlin where the two nuclear armed sides were kept apart by a twelve foot wall which had appeared almost overnight in August 1961 For a generation until its fall in November 1989 it not only divided the city of Berlin but also symbolised the confrontation between capitalist West and socialist East In this astonishing book journalist Christopher Hilton has collected together the individual stories of those whose lives it affected including international politicians American and British soldiers East German border guards and most importantly the citizens of Berlin itself West and East Weaving their memories together into a remarkable narrative this is the extraordinarily vivid occasionally harrowing and often touching story of a city divided and of how it affected the lives of real people **Escape from Krystal** Jenni Lynn,2023-07-26 Chief Tye was running as fast as he could up the steep mountainside the precious golden dragon s egg strapped securely to his chest He knew he still had to open the passage to Bella s world in order to escape and save this egg He could feel his enemy was tracking him he could sense them closing in His people had not had a golden dragon egg in their tribe for over a hundred years This egg was so important to everyone he just had to keep it safe Was sending it to Bella in her world the best plan She had proven herself a brave warrior but would even she be able to keep this egg safe until it was time for it to return to Krystal **History of the Civil War in America: book 1. Power,2025-04-24 In *The Ugly Girl Papers or Hints for the Toilet* S D Power combines humor and sharp social critique to explore the often absurd conventions of beauty in Victorian society Through a series of witty essays and narrative vignettes Power adopts a conversational tone that engages the reader while dissecting the societal pressures placed on women regarding their appearance His unique literary style effectively blending satire with earnest advice reflects the complexities of gender roles during the late 19th century challenging notions of beauty and appealing to a growing feminist consciousness of the time S D Power was a contemporary observer of the Victorian social landscape influenced by the ongoing debates surrounding women s rights and societal expectations His background in journalism coupled with an eye

for the absurdities of life equipped him with a nuanced understanding of the struggles women faced Power's personal experiences likely informed his perspective he offers a voice to those marginalized by conventional beauty standards providing both critique and laughter Readers seeking a blend of humor insight and cultural reflection will find *The Ugly Girl Papers* an essential and entertaining read This work is not only a witty exploration of beauty norms but also a timely reminder of the ongoing discussions regarding self acceptance and societal pressures

Custer's Luck Edgar Irving Stewart, 1955 This is undoubtedly a remarkable book on a period of American history about which much has been written the period of the Indian wars in the Northwest from the close of the Civil War until the Custer disaster on the Little Big Horn It presents in graphic detail and on a vast canvas the great events and the small which reached a decisive crescendo in Custer's fate Here is no savage battle incident presented in isolation from other events but a sweeping panorama of a whole ere inept hesitant and tragic To insure comprehensiveness the author describes the pertinent facts of the Grant administration the embitterment of the Great Plains tribes and the deteriorating Civil War army The book is the record not only of the dashing Seventh Cavalry and its leader but also of the Grant Custer feud Sitting Bull the Belknap scandal Rain in the Face the battle strategy of the Indians and Custer's military rivals Particular note is taken of the effect on history of Custer's recklessness and glory seeking and of the superstitions and fatalistic determination of the Sioux and the Cheyennes The Battle of the Little Big Horn reconstructed in this account largely on Indian eyewitness testimony climaxed the long developing tragedy and provided a smashing crescendo to the vacillating policy of the United States government towards the Indians of the Great Plains A four color reproduction of an oil painting by John Hauser entitled *The Challenge* has been selected for the cover of *Custer's Luck* The original canvas is in the collection of the Thomas Gilcrease Institute of American History and Art Tulsa Oklahoma and the publishers gratefully acknowledge the cooperation of that organization in making this reproduction possible
