The Politics and Aesthetics of Refusal Caroline Hamilton,2007 The Politics and Aesthetics of Refusal is an eclectic collection of essays from emerging academics who engage with the notion of refusal both as the embodiment of a resistance to conventional boundaries between academic disciplines and as a concept with an underlying negative or reactive force that can be widely interpreted and applied The applications of refusal outlined in this volume ranging from activism and the politics of cultural production through to problems of identity and knowledge classification raise questions about often elided relationships of agency and complicity in routine experience The sense of refusal that emerges from this book is perhaps most easily classified by what it is not namely a prescriptive conclusive or unified account of what it is to reject react or work against any particular instance of theory or practice in any given domain The value of a thematically oriented collection like this is its ability to work across disciplines media and philosophical frameworks rather than limiting its focus to a narrow territory According to Herbert Marcuse refusal must not only be the guiding principle for all artistic creation it must also be a manifestation of artistic creation itself With this volume we have attempted to compose a collection which is not only theoretically guided by refusal but practically informed by it as well The collection in itself constitutes we hope a constructive rejection of the usual constrictions of discipline and approach placed upon new scholars This rich collection of essays on the political aesthetic and ethical dimensions of that form of social action called refusal is an important contribution to our understanding of the tensions and contradictions of contemporary culture John Frow Professor of English Literary Studies at the University of Melbourne **The Publishers Weekly** ,2008 *Book Review Index* ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index *Kaapse bibliotekaris* ,2001 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 *Books Magazine* ,1998 **Cumulated Index to the Books** ,1999 *The British National Bibliography* Arthur James Wells,1998 *American Book Publishing Record* ,1999 **Forthcoming Books** Rose Army,1998 **The Six-Week Fat-to-Muscle Makeover** Ellington Darden,1990 One of America s leading diet and fitness authors with more than 2 5 million books sold presents a six week program that shows any woman how to have the kind of body she has always dreamed of **Woman Suffrage and Politics** Carrie Chapman Catt,Nettie Rogers Shuler,1923 Every serious student of woman suffrage must take account of this vital contemporary document which tells the story of the struggle for woman suffrage in America from the first woman s rights convention in 1848 to the passage of the Nineteenth Amendment in 1920 Originally published in 1923 it gives the inside story of this remarkable movement told by two ardent suffragists Carrie Chapman Catt of whom the New York Times wrote More than anyone else she turned Woman Suffrage from a dream into a fact and Nettie Rogers Shuler Writing from vivid recollection the authors offer some of their own ideas
