Thomas Hardy

Two Quiet Lives:

Life's Little Ironies Thomas Hardy, 2023-10-19 Life's Little Ironies a phrase coined by Hardy was Thomas Hardy's third collection of short stories. The volume's eight stories and one sequence of shorter tales presented in a Canterbury Tales type framework had all appeared first in magazines before being gathered together in 1894. Not only do they reflect the strengths and themes of his great novels they are also themselves powerful works encompassing tragedy and humour. Part of the Cambridge Edition of the Novels and Short Stories of Thomas Hardy this volume presents an authoritative text which aims to reflect Hardy's original artistic intentions. A full scholarly apparatus includes every authorial revision from manuscript where extant onwards enabling readers to trace Hardy's creative process. An introductory essay gives details of the stories composition publishing history and critical reception there are comprehensive explanatory notes and a glossary and the illustrations that accompanied the stories magazine publication also provide valuable context. Thomas Middleton and Early Modern Textual Culture Gary Taylor, John Lavagnino, 2007 Thomas Middleton and Early Modern Textual Culture is a comprehensive companion to The Collected Works of Thomas Middleton providing detailed introductions to and full editorial apparatus for the works themselves as well as a wealth of information about Middleton's historical and literary context.

Life-Writing Donald J. Winslow, 1995-01-01 This text presents an introduction and a reference source of terms in the writing of biographies autobiographies and related literature. *The New Cambridge Bibliography of English Literature: Volume 2, 1660-1800* George Watson, Ian R. Willison, 1971-07-02 More than fifty specialists have contributed to this new edition of volume 2 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re-shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.

Thomas Middleton: The Collected Works Thomas Middleton, 2010-03-25 Thomas Middleton is one of the few playwrights in English whose range and brilliance comes close to Shakespeare's. This handsome edition makes all Middleton's work accessible in a single volume for the first time. It will generate excitement and controversy among all readers of Shakespeare and the English classics. *Thomas Middleton: The Collected Works*, 2007-11-22 Thomas Middleton 1580-1627 our other Shakespeare is the only other Renaissance playwright who created lasting masterpieces of both comedy and tragedy he also wrote the greatest box office hit of early modern London the unique history play *A Game at Chess*. His range extends beyond these traditional genres to tragicomedies masques pageants pamphlets epigrams and Biblical and political commentaries written alone or in collaboration with Shakespeare Webster Dekker Ford Heywood Rowley and others. Compared by critics to Aristophanes and Ibsen Racine and Joe Orton he has influenced writers as diverse as Aphra Behn and T.S. Eliot. Though

repeatedly censored in his own time he has since come to be particularly admired for his representations of the intertwined pursuits of sex money power and God The Oxford Middleton prepared by more than sixty scholars from a dozen countries follows the precedent of The Oxford Shakespeare in being published in two volumes an innovative but accessible Collected Works and a comprehensive scholarly Companion Though closely connected each volume can be used independently of the other The Collected Works brings together for the first time in a single volume all the works currently attributed to Middleton It is the first edition of Middleton s works since 1886 The texts are printed in modern spelling and punctuation with critical introductions and foot of the page commentaries they are arranged in chronological order with a special section of Juvenilia The volume is introduced by essays on Middleton s life and reputation on early modern London and on the varied theatres of the English Renaissance Extensively illustrated it incorporates much new information on Middleton s life canon texts and contexts A self consciously federal edition The Collected Works applies contemporary theories about the nature of literature and the history of the book to editorial practice
