

## ALL THINGS WICKED

NEW KILLER

### THE UNKNOWN

If you hear a soft voice crying out for help in the woods, stay the hell away. The true nature of The Unknown remains a mystery, barring one fatal certainty: to cross its path is to risk an unbearable fate.

#### UNBOUND

Unbound activates for a duration when a Survivor becomes injured. During this time, you'll gain a brief speed boost whenever you Yank a Window.

#### UNFORESEEN

When you kick a Generator, your Terror Radius transfers to it for a duration. During this time, your Terror Radius increases and you become Unobscurable.

#### UNDONE

Gain Tokens whenever a Survivor misses a Skill Check. When you damage a Generator, all Tokens will be consumed. For each Token consumed, the Generator loses 1% total progress and becomes blocked for 1 second.

#### POWER: UVX (UNKNOWN VENOM X)

Charge and launch a burst of UVX, which becomes toxic and creates a "Blat Area" upon impact. If they touch the Blat Area, they will become Weakened against your Power.

If a Survivor is Weakened, they will lose a Health State whenever they touch a Blat Area. Survivors can lose the Weakened status by successfully looking at The Unknown for a brief duration.

#### SPECIAL ABILITY: HALLUCINATIONS

During a Trial, The Unknown will intermittently create Hallucinations and leave them in its wake. The Unknown can highlight and teleport to any Hallucinations, leaving behind a temporary Dying version of itself.

Survivors can Dispel Hallucinations, but only by scaring it while standing completely still. Weakened Survivors will take longer to Dispel a Hallucination, and any incomplete attempt will reveal their location through Killer Instinct.
