A Man of Little Faith Michel Deguy, 2014-11-19 In *A Man of Little Faith* the French poet and philosopher Michel Deguy reflects on the loss of religious faith both personally and culturally Disenchanted not only with the oversimplifications of radical atheism but also with what he sees as an insipid sacralization of art as the influence of religion has waned Deguy refuses to focus on loss or impossibility Instead he actively suspends belief producing a poetic deconstruction that though resolutely a theistic makes a plea for an earthly piety and for the preservation of the relics of religion for the world to come Two essays by Jean Luc Nancy and a recent interview with Deguy are included which reveal the impact and implications of Deguy s ongoing reflection and its significance within his generation of French thought

A Shot Story David Borkowski, 2015-08-27 The botched robbery didn t do it Neither did the three gunshots It wasn t until he was administered last rites that David Borkowski realized he was about to die at age fifteen *A Shot Story* From Juvie to Ph D is a riveting account of how being shot saved his life and helped a juvenile delinquent become an esteemed English professor Growing up in a working class section of Staten Island David and his friends thought they had all the answers They knew where to hang out without being hassled where to get high and what to do if the cops showed up But when David and his friend called in a pizza order so they could rob the delivery man things didn t turn out as they d planned Staring down the barrel of a gun David and his friend panicked and took off as the cop fired Convinced the cop was shooting harmless salt bullets David darted through lawns as the cop gave chase Much later when David was bleeding to death did the cops realize they had hit one of their own the son of a fellow cop Borderline illiterate at the time of the shooting David took his future into his own hands and found salvation in books But his attempts to improve his life were stymied by lack of familial support Bound on all sides by adults who had no faith in his ability to learn or to succeed David persevered and earned his Ph D Funny and poignant but always honest and reflective *A Shot Story* tracks David Borkowski s life before and after the accident and tells how his having been a rather unremarkable student may have been a blessing in disguise A wonderful addition to the working class narrative genre *A Shot Story* presents a gripping account of the silences of working class culture as well as the male subculture of Staten Island Through his heartfelt memoir Borkowski explores the universal lesson of turning a wrong into a rite of passage

husband's murder and her subsequent breakdown behind her. She isn't bothered by a burial plot on the property or the mysterious sealed cistern in the basement. Not at first. Even the presence of cold spots and strange odors could be fabrications of her still troubled mind. But how to explain her slashed tires or the ominous messages that grow ever more threatening. Convinced the answer lies in the past, Madison delves into the history of the home's original owners only to discover the origin of a powerful evil. An entity that may be connected to a series of gruesome attacks that have left police baffled. The week before Luna's twin sister Solina was supposed to head back for her final semester at Kingswood Academy, an elite boarding school in the Washington mountains, she told Luna she was dropping out. When Luna refused to let her throw away her future, Solina disappeared. Twelve hours later she was dead. Luna knows Solina's death wasn't an accident, even if the police say otherwise. There's a reason Solina didn't want to go back to Kingswood, and Luna knows she'll find the truth there. All she has to do is become Solina. Playing Solina comes easy, but finding answers is far from it. Between the cunning, cruel people Solina called her friends, Luna's budding feelings for her roommate Claudia, and the harsh realization that Solina had dark secrets, getting to the bottom of her sister's murder is more difficult than Luna could have ever anticipated. But when you have nothing left to lose, you're willing to do anything to get what you want. There's no limit to how far Luna will go to avenge her sister, even if she has to burn all of Kingswood to the ground.
