

WILBERFORCE
A NARRATIVE

E. COUPLAND

Author of "The Slave System"
and "Narrative of the Proceedings of the
Parliament of 1807"

WILLIAM WILBERFORCE is best known as "the Emancipator", and a large part of this narrative of his life describes his greatest achievement, the Abolition of the Slave Trade.

But there were many other sides to his life. He was a great Parliamentarian. One of an old Yorkshire family, he held the seat for the county from 1794 to 1812, and he played a leading part in the politics of that crucial period. Not the least interesting feature of his political career, as revealed in his own and other documents, was his intense sympathy with Pitt.

And he was a great Statesman. Connected in the midst of the turbulent life in London society to which he could "plunge" (according to his friends) at any moment, he was a great friend of the "Commons", and he was the great friend of the "Church of England", providing a useful example of the application of Christian principles to political and social life.
