

Wolves are affectionate and attentive parents, devoted pack members, and faithful partners. They exhibit many of the social traits that we admire, yet they have experienced near extinction worldwide due to overhunting. Focused efforts toward reintroduction and preservation in the late 20th century achieved great progress in reestablishing wolf populations, but when wolves were removed from Endangered Species Act protections in 2021, their numbers began to fall again. Join WWF in helping to secure a safe and prolific future for these beautiful animals.

In the U.S. and Canada, WWF receives 75 cents for each 2024 WWF calendar purchased, with a \$100,000 minimum donation.
