What She Ate Laura Shapiro, 2017-07-25 A Washington Post Notable Nonfiction Book of 2017 One of NPR Fresh Air's Books to Close Out a Chaotic 2017 NPR's Book Concierge Guide To 2017's Great Reads How lucky for us readers that Shapiro has been listening so perceptively for decades to the language of food Maureen Corrigan NPR Fresh Air Six mouthwatering Eater.com short takes on six famous women through the lens of food and cooking probing how their attitudes toward food can offer surprising new insights into their lives and our own Everyone eats and food touches on every aspect of our lives social and cultural personal and political Yet most biographers pay little attention to people's attitudes toward food as if the great and notable never bothered to think about what was on the plate in front of them Once we ask how somebody relates to food we find a whole world of different and provocative ways to understand her Food stories can be as intimate and revealing as stories of love work or coming of age Each of the six women in this entertaining group portrait was famous in her time and most are still famous in ours but until now nobody has told their lives from the point of view of the kitchen and the table What She Ate is a lively and unpredictable array of women what they have in common with one another and us is a powerful relationship with food They include Dorothy Wordsworth whose food story transforms our picture of the life she shared with her famous poet brother Rosa Lewis the Edwardian era Cockney caterer who cooked her way up the social ladder Eleanor Roosevelt First Lady and rigorous protector of the worst cook in White House history Eva Braun Hitler's mistress who challenges our warm associations of food family and table Barbara Pym whose witty books upend a host of stereotypes about postwar British cuisine and Helen Gurley Brown the editor of Cosmopolitan whose commitment to having it all meant having almost nothing on the plate except a supersized portion of diet gelatin

Women Food and God

Geneen Roth, 2011-09-29 Millions of us are locked into an unwinnable weight game as our self-worth is shredded with every diet failure Combine the utter inefficacy of dieting with the lack of spiritual nourishment and we have generations of mad ravenous self-loathing women So says Geneen Roth in her life-changing new book Women Food and God Since her 1991 bestseller When Food Is Love was published Roth has taken the sum total of her experience and combined it with spirituality and psychology to explain women's true hunger Roth's approach to eating is that it is the same as any addiction an activity to avoid feeling emotions From the first page readers will be struck by the author's intelligence humour and sensitivity as she traces the path of overeating from its subtle beginnings through to its logical end Whether the drug is booze or brownies the problem is the same opting out of life She powerfully urges readers to pay attention to what they truly need which cannot be found in a supermarket She provides seven basic guidelines for eating the most important is to never diet and shares reassuring practical advice that has helped thousands of women who have attended her highly successful seminars Truly a thinking woman's guide to eating and an anti-diet book women everywhere will find insights and revelations on every page

Women, Food, and Families Nickie Charles, Marion Kerr, 1988 Women food and families looks at how women with

young families plan provide cook and serve food from daily meals to special occasions The authors interviewed women from a range of social backgrounds and the result is an account of the role played by food in relationships between women and men parents and children within contemporary British families It also reveals the contradictory and often problematic nature of women s own feelings towards food The authors document the differential distribution of food within families along lines of gender and age and show that social class has a significant impact on diet They illustrate the way in which practices surrounding food provision both reflect and create social divisions and that food conveys complex messages about power and status love and anger inclusion and exclusion
