It's definitely not too late for any of us to learn now what we need to do. Dr. Donna Brooks. For years professional and business women have been hindered by traditional role models, stereotyped views, and even their own family's attitudes. Despite these barriers, hundreds of women have found the path to success. In this eye-opening book, Donna and Lynn Brooks explore the strategies these women have used to succeed and provide a blueprint any woman can use to achieve success in their personal and professional lives. For every woman who wants to get ahead, *Seven Secrets of Successful Women* is an essential guide.

Resources in Women's Educational Equity: Special Issue, 1979 **The 10 Habits of Highly Successful Women** Glynnis MacNicol, Rachel Sklar, 2014 *The 10 Habits of Highly Successful Women* is a collection of essays revealing the secret career habits and hard-won wisdom of a diverse group of accomplished women selected by Rachel Sklar and Glynnis MacNicol, co-founders of TheList, the well-known network dedicated to elevating professional women. Perhaps no group has experienced more upheaval in the last few decades than working women. In this series, each woman explores the one key habit or lesson that has made the difference in forging her career and attaining professional success. Whether it's CNN personality Sally Kohn's exploration of emotional correctness or What Not To Wear's Stacy London on the wear and tear of our aspirational culture of extraordinary, why millennial Nisha Chittal won't tell you her age and what Cindy Gallop learned about sex while dating men half her size, how lessons from waitressing led Jenna Wortham to the New York Times, or how Paula Froelich perfected the art of the controlled burn to start over after the end of a dream career, these essays uncover the challenges and delights of chasing and finding success in work and life as a professional woman. *Resources in Women's Educational Equity*, **Work It** Carrie Kerpen, 2018-01-09 An empowering career guide featuring bold advice from 50 high-profile women on how to succeed in work, leadership, and life. In *Work It*, CEO of Likeable Media and popular podcast host Carrie Kerpen shares lessons from her career and an advisory board of powerful women in a wide range of industries to help women everywhere make their aspirations a reality. Packed with actionable tips and stories from the likes of Sheryl Sandberg, Aliza Licht, and Reshma Saujani, this inspiring book reveals their counterintuitive secrets for success, including how and when to say no, whether it's a dream job that just isn't the right cultural fit or a low salary proposal, as well as when to say yes. How to make your career work for you and your family rather than the other way around. How to develop your own FAB PAB (Fabulous Personal Advisory Board), a support network of women rather than work with a single mentor. The importance of talking openly about money, from job offer negotiations and cash flow management to fundraising venture capital dollars. With advice on everything from mastering social media to navigating office politics and the seemingly impossible work-life balance. *Work It*
