Globalization and Antiglobalization Taylor and Francis,2017

Pentecostalism and Globalization Steven M. Studebaker,2010-09-20 In little over a century the Pentecostal movement has emerged from small bands of revival seekers to become one of the largest Christian groups in the world Primarily a movement within Western Christianity for much of its brief history it is increasingly characterized as a global movement Pentecostal theology and ministry in a Western context must engage global Pentecostalism and be willing to rethink its traditional patterns of thought and practice in light of the evolving nature of the movement The essays in this book come mainly from the McMaster Divinity College 2008 Pentecostal Forum The Many Faces of Pentecostalism Pentecostalism and Globalization The first section outlines the nature of globalization and establishes it as the context for contemporary Pentecostal theology and ministry The other contributions explore the impact of globalization on traditional areas of Pentecostal theology such as Spirit baptism and speaking in tongues and twenty first century Pentecostal ministry

Globalization and Antiglobalization Henry Veltmeyer,2004 The contributors to this study of change and development explore some of the macrodynamics of the globalization process as well as the strategic and political responses to these dynamics

World Writing Mary Gallagher,2008-08-16 Much has been said about the relationship between globalization and culture and the political implications of that relationship There has been little effort made however to investigate the effect of globalization on poetics or on the ethical moment of literature World Writing is therefore concerned with studying the intersection of contemporary ethics poetics and globalization through historical and critical readings of writing from various parts of the world Following an introductory chapter by Mary Gallagher which maps this conceptual terrain the contributors investigate how globalization inflects the necessary relationship between poetics culture ethics and politics Among the essays are Celia Britton s reading of douard Glissant on languages in the globalized world Mary Gallagher s comparison of Glissant s poetics of cultural diversity with the ethics of Emmanuel Levinas David Palumbo Liu s exploration of the ethics of postcolonial fiction in J M Coetzee s work Mary Louise Pratt s critique based on recent Latin American writing of the prematurely celebratory nature of globalization and Julia Kristeva s argument for the value of poetics and the ethics of hospitality What emerges is an intricate discussion of the elusive relationship between the realms of ethics poetics and politics as they intersect in our changing world

Western Historiography in Asia Q. Edward Wang,Okamoto Michihiro,Longguo Li,2022-02-21 This volume provides a unique and critical perspective on how Chinese Japanese and Korean scholars engage and critique the West in their historical thinking It showcases the dialogue between Asian experts and their Euro American counterparts and offers valuable insights on how to
