Critical Theory and The English Teacher Nick Peim, 2002-03-11 In this radical exploration Nick Peim himself a practising English teacher shows how teachers can use critical theory to bring students own experience back into the subject The author explains how the insights of discourse theory psychoanalysis semiotics and deconstruction can be used on the material of modern culture as well as on and in oral work The book is written in a style which even those with no background in critical theory will find approachable and arguments are backed up with practical classroom examples Critical Theory and Practice Keith Green, Jill LeBihan, 1996 Critical Teory and Practice answers lots of questions but also stimulates new ones Its tailor made combination of survey reader and workbook is ideal for the beginning perhaps even bewildered student of literary theory The work is divided into seven chapters each of which contains guiding commentary examples from literary

and critical works and a variety of exercises to provoke and engage you Each chapter includes a glossary and annotated selection of suggested further reading There is also a full bibliography The authors cover the key issues and debates of literary theory including Language Linguistics and Literature Structures of Literature Literature and History Subjectivity Psychoanalysis and Criticism Reading Writing and Reception Women Literature and Criticism Literature Criticism and Cultural Identity Critical Theory and Practice is an refreshingly clear up to date and eminently readable introduction to the subject It not only guides you through the terminology and gives you a selection of the key passages to read it also helps you engage with the theory and apply it in practice

**Poe's Critical Theory** Susan Levine, Susan F. Levine, 2010-10-01 Edgar Allan Poe's reputation as an enduring and influential American literary critic rests mainly upon the pieces in this edition Editors Stuart Levine and Susan F Levine provide reading texts detailed explanatory footnotes variant readings and introductions to show context They also face frankly the contradictions in Poe's critical dicta Poetry is for pleasure not truth Poe says but argues that poetic inspiration leads to truth Great works Poe says result from studied calculation but also from irrational supernal sources Both biting critic and doughty defender of American artistic achievement Poe was contemptuous of democratic art except when he manned the barricades in its defense Critical Theory highlights such conflicting ideas and suggests why they are present This edition shows that what is consistent in Poe is not any single theory Rather always present are wit playfulness concern for the strong effect a bin of recyclable allusions anecdotes and quotations and a writer's discipline His writing on theory is of a piece with his fiction poetry and journalism The Levines explain how these pieces also tie in tightly to the social political economic and technological history of the world in which Poe lived

**Critical Theory and Interaction Design** Jeffrey Bardzell, Shaowen Bardzell, Mark Blythe, 2018-12-04 Classic texts by thinkers from Althusser to i ek alongside essays by leaders in interaction design and HCI show the relevance of critical theory to interaction design Why should interaction designers read critical theory Critical theory is proving unexpectedly relevant to media and technology studies The editors of this volume argue that reading critical theory understood in the broadest sense including but not limited to the Frankfurt School can help designers do what they want to do can teach wisdom itself can provoke and can introduce new ways of seeing They illustrate their argument by presenting classic texts by thinkers in critical theory from Althusser to i ek alongside essays in which leaders in interaction design and HCI describe the influence of the text on their work For example one contributor considers the relevance Umberto Eco's Openness Information Communication to digital content another reads Walter Benjamin's The Author as Producer in terms of interface designers and another reflects on the implications of Judith Butler's Gender Trouble for interaction design The editors offer a substantive introduction that traces the various strands of critical theory Taken together the essays show how critical theory and interaction design can inform each other and how interaction design drawing on critical theory might contribute to our deepest needs for connection competency self esteem and wellbeing Contributors Jeffrey Bardzell Shaowen Bardzell Olav W Bertelsen Alan F
