**A Small Personal Voice** Doris Lessing, 1974 Collected works spanning a period of seventeen years reveal the influential contemporary writer's thoughts on her craft various writers her life and Africa **Doris Lessing** Alice Ridout, Susan Watkins, 2009-08-13 Despite winning the Nobel Prize for Literature Doris Lessing has received relatively little critical attention One of the reasons for this is that Lessing has spent much of her lifetime and her long published writing career crossing both national and ideological borders This essay collection reflects and explores the incredible variety of Lessing's border crossings and positions her writing in its various social and cultural contexts Lessing crosses literal national borders in her life and work but more controversial have been her crossings of genre borders into sci fi and space fiction and her crossing of ideological borders such as moving into and out of the Communist Party and from a colonial into a post colonial world This timely collection also considers a number of the most interesting recent critical and theoretical approaches to Lessing's writing including work on maternity and abjection in relation to *The Fifth Child* and *The Grass is Singing* eco criticism in Lessing's Ifrakan novels and postcolonial re-writings of landscape in her *African Stories* *Doris Lessing* Gayle Greene, 1994 An original and compelling appraisal of this important international literary figure *A Study Guide for Doris Lessing's "The Fifth Child"* Gale, Cengage Learning, 2016-07-12 A Study Guide for Doris Lessing's *The Fifth Child* excerpted from Gale's acclaimed *Novels for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Novels for Students* for all of your research needs [The New York Public Library's Books of the Century](#) Elizabeth Diefendorf Chief Librarian of the Research Division New York Public Library, 1996-04-11 What are the books that helped shape and define the last hundred years This was the question put to the librarians of The New York Public Library as part of the Library's 100th anniversary celebration Which books had influenced the course of events for good or ill Which interpreted new worlds Or delighted millions of readers Their answers to these questions formed *Books of the Century* a highly popular exhibit during the Library's centennial celebration 1895 to 1995 highlighting an exhilarating collection of important works by some of the greatest writers of our times Now the companion volume *The New York Public Library's Books of the Century* takes readers on a thought provoking tour of the last hundred years through the medium of the printed word Here readers will find over 150 pivotal works organized into topical categories reflecting themes that have informed the century among them *Mind Spirit Protest Progress Women Rise or Nature's Realm* Each is introduced with a brief commentary illuminating the themes and issues the books in that section address followed by an annotation for each title offering a brief description and a key to its significance The range of books is remarkable embracing Chekhov's *Three Sisters* and Bram Stoker's *Dracula* as well as Galbraith's *The Affluent Society* and Durkheim's *Suicide* or Timothy Leary's *The Politics of Ecstasy* and W E B Du Bois's *The Souls of Black Folk* Readers will find many illuminating juxtapositions In *Utopias*

Dystopias for instance *The Wonderful Wizard of Oz*, *Peter Pan* and *Lost Horizon* are in the unexpected company of Nineteen Eighty four *A Clockwork Orange*, *Brave New World* and *The Time Machine*. The century's darkest moments are mirrored in War Holocaust Totalitarianism where we find Koestler's *Darkness at Noon*, Hersey's *Hiroshima*, Anne Frank's *Diary* and Dee Brown's *Bury My Heart at Wounded Knee*. But the volume ends on a happier note with Optimism Joy Gentility and such wonderful works as Helen Keller's *The Story of My Life*, Shaw's *Pygmalion*, Margaret Wise Brown's *Goodnight Moon* and Harper Lee's *To Kill a Mockingbird*. Illustrated throughout with imaginative paper cut out murals by artist Diana Bryan *The New York Public Library's Books of the Century* is a reflection of our times featuring both the books we love whether *The Cat in the Hat* or *Ulysses* and books like *The Surgeon General's Report* or *Mein Kampf* that for better or worse have been an inescapable part of our century. For 100 years the librarians of The New York Public Library have shared our passion for books with a diverse and literate public said curator and editor Elizabeth Diefendorf. That experience has given us a unique perspective in making our choices for the books of the century. We hoped that visitors to the exhibition and now the readers of this book will be drawn into our choices and reflect on what their own selections would be.

**The Contemporary Novel**  
Irving Adelman, Rita Dworkin, 1997-10-09 In this new edition what was already an expansive work has been updated and further enlarged to include information not only on American and British novelists but also on writers in English from around the world.

*The Public Library*, 2014-05-27 A gorgeous visual celebration of America's public libraries including 150 photos plus essays by Bill Moyers Ann Patchett Anne Lamott Amy Tan Barbara Kingsolver and many more. Many of us have vivid recollections of childhood visits to a public library the unmistakable musty scent the excitement of checking out a stack of newly discovered books. Today the more than 17 000 libraries in America also function as de facto community centers offering free access to the internet job hunting assistance or a warm place to take shelter. And yet across the country cities large and small are closing public libraries or curtailing their hours of operation. Over the last eighteen years photographer Robert Dawson has crisscrossed the country documenting hundreds of these endangered institutions. *The Public Library* presents a wide selection of Dawson's photographs from the majestic reading room at the New York Public Library to Allensworth California's one room Tulare County Free Library built by former slaves. Accompanying Dawson's revealing photographs are essays letters and poetry by some of America's most celebrated writers. A foreword by Bill Moyers and an afterword by Ann Patchett bookend this important survey of a treasured American institution.

**Doris Lessing**  
Carey Kaplan, Ellen Cronan Rose, 1988 Long neglected by the academic world because of her rejection of belletristic values and resistance to convenient literary taxonomy Doris Lessing has nonetheless built an international following of serious dedicated readers. Acknowledging the difficulties posed by the multiple dimensions of Lessing's work Kaplan and Rose have gathered eleven essays that address her artistic philosophical political and psychological complexity and so provide a welcome introduction to the extraordinary depth and diversity of this important contemporary novelist. Lessing has been described as

an alchemical writer in that her work is directed toward changing people's lives and perceptions rather than simply recording experience Accordingly the contributors examine her various postures and tactics for the purpose of discovering how the alchemical elements inform her various personae Frederick C Stern discusses Lessing's commitment to radical humanist thought while Carey Kaplan examines how Lessing's imperialist past has shaped her futuristic fiction Elizabeth Abel offers a feminist interpretation of the pattern of brother-sister incest in Lessing's work showing how Lessing has established Antigone as a female alternative to the Oedipal myth of male incest Particularly insightful is Eve Bertelsen's report of her interview with Lessing demonstrating how Lessing's often evasive style of adversarial dialogue works in concert with her refusal to be conveniently pigeonholed by academic analysis For those readers new to her work *Doris Lessing: The Alchemy of Survival* will serve as a useful introduction to Lessing's concerns and techniques Those who have long admired her writing will find in this collection new keys to understanding Lessing's philosophical, political, and psychological complexity

*Doris Lessing*, **Public Man, Private Woman** Jean Bethke Elshtain, 2020-07-21 Focusing on the Western philosophical tradition and the work of contemporary feminists Jean Elshtain explores the general tendency to assert the primacy of the public world, the political sphere dominated by men, and to denigrate the private world, the familial sphere dominated by women She offers her own positive reconstruction of the public and the private in a feminist theory that reaffirms the importance of the family and envisions an ethical polity
