Yang Of Mr Go:

Film Fatales Tom Lisanti, Louis Paul, 2016-11-16 Sean Connery began the sixties spy movie boom playing James Bond in *Dr No* and *From Russia with Love*. Their success inspired every studio in Hollywood and Europe to release everything from serious knockoffs to spoofs on the genre featuring debonair men, futuristic gadgets, exotic locales, and some of the world's most beautiful actresses whose roles ranged from the innocent caught up in a nefarious plot to the femme fatale. Profiled herein are 107 dazzling women, well known and unknown, who had film and television appearances in the spy genre. They include superstars Doris Day in *Caprice*, Raquel Welch in *Fathom*, and Ann Margret in *Murderer's Row*, international sex symbols Ursula Andress in *Dr No* and *Casino Royale*, Elke Sommer in *Deadlier Than the Male*, and Senta Berger in *The Spy with My Face*, and forgotten lovelies Greta Chi in *Fathom*, Alizia Gur in *From Russia with Love*, and Maggie Thrett in *Out of Sight*. Each profile includes a filmography that lists the actresses' more notable films. Some include the actresses' candid comments and anecdotes about their films, and television shows the people they worked with and their feelings about acting in the spy genre. A list of websites that provide further information on women in spy films and television is also included.

The Encyclopedia of Hollywood Film Actors Barry Monush, 2003-04-01 For decades *Screen World* has been the film professional's as well as the film buff's favorite and indispensable annual screen resource full of all the necessary statistics and facts. Now *Screen World* editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes, this book chronicles the careers of every significant film actor from the earliest silent screen stars, Chaplin, Pickford, Fairbanks, to the mid 1960s when the old studio and star systems came crashing down. Each listing includes a brief biography, photos from the famed *Screen World* archives with many rare shots, vital statistics, a comprehensive filmography, and an informed, entertaining assessment of each actor's contributions, good or bad. In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity, an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity, and glory that was the lifeblood of its subjects. Contains over 1,000 photos.

The CEO's Rebellious Woman AraBella, Evina Chen is a young career woman who is not afraid to defy her superiors. She would even risk her personal life to defend her colleagues from tyrannical bosses. Meanwhile, Gabriel Yang is a ruthless, dominant CEO who would sacrifice anything for the sake of the growth of their company. He would crush anyone who would dare stand in his way. She hates authorities. He hates rebels. But both would learn the true meaning of love in each other's arms. The question is, will their love for one another be enough to overcome the power struggles along the way.
