Summer Ends Now:

Summer's End John Van Stry, 2022-12-06 SOMETIMES A DARK PAST CAN HAUNT YOU OTHER TIMES IT JUST MAY BE THE ONLY THING KEEPING YOU ALIVE Fresh out of college with his Ship Engineer 3rd Class certificate Dave Walker's only thought is to try to find a berth on a corporate ship plying the trade routes between the many hubs orbitals and moons in the Solar System The problem for Dave however isn't his straight C average it's that his stepfather a powerful Earth Senator he's never met now wants him dead Forced to take the first berth he can find Dave ends up on the Iowa Hill an old tramp freighter running with a minimal crew and nearing the end of its useful life plying the routes that the corporations ignore and visiting the kinds of places that the folks on Earth pretend don't exist Between the assassins the criminals and the pirates he needs to deal with Dave is discovering that there are a lot of things out there that he still needs to learn But there's one hard lesson he learned long ago that he's being forced to remember how to be ruthless At the publisher's request this title is sold without DRM Digital Rights Management

Poetry and Revelation Kevin Hart, 2017-04-20 Religious poetry has often been regarded as minor poetry and dismissed in large part because poetry is taken to require direct experience whereas religious poetry is taken to be based on faith that is on second or third hand experience The best methods of thinking about experience are given to us by phenomenology Poetry and Revelation is the first study of religious poetry through a phenomenological lens one that works with the distinction between manifestation in which everything is made manifest and revelation in which the mystery is re veiled as well as revealed Providing a phenomenological investigation of a wide range of religious poems some medieval some modern some written in English others written in European languages some from America some from Britain and some from Australia Kevin Hart provides a unique new way of thinking about religious poetry and the nature of revelation itself

Inspiration and Technique John Roe, Michele Stanco, 2007 While Plato extols inspired poetry as opposed to poetry produced by means of technique Aristotle conceives of poetry only in terms of techn Underlying the opposition between inspiration and technique are two different approaches to form inspiration is concerned with the impression of ideas or forms within the poet's psyche the author's forma mentis whereas technique deals with the transposition of the artist's idea into the material form of the work the forma operis This dual view of form and of its complex relation to matter may be said to lie at the basis of a dual approach to aesthetic issues a psychological and a textual one Taking their cue from this opposition the essays gathered here explore some of the most momentous phases in the history of aesthetics from Graeco Roman philosophy and oratory to Renaissance poetry and literary criticism from neoclassical poetics to Romantic and Victorian views on inspired visions to recent issues in neuroaesthetics philosophy of art and literary linguistics In so doing they collectively point to the irremediable and continuing dualism of a critical tradition that has alternately emphasized the ideal elements of beauty and the material constituents of art
