love is less about fleeting passion and more about growing and evolving plural than singular There are also subtle poems to how he finds himself in nature and where he fits into the grand scheme of things Whether its a simple walk on a beach or fields of meadows he seems to carry his thoughts of love with him like lint to a pocket The Work of the Sun Charles Edward Eaton,2004 The Work of the Sun Charles Edward Eaton s 17th collection of poetry includes selections from The Guest on Mild Evenings 1992 The Country of the Blue 1994 The Fox and I 1996 The Scout in Summer 1999 The Jogger by the Sea 2000 and over 30 new poems previously published in Salmagundi The New Criterion and others **Gathered Leaves of Many Seasons** Hugh Hutton,2019-08-03 This is a reproduction of the original artefact Generally these books are created from careful scans of the original This allows us to preserve the book accurately and present it in the way the author intended Since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions We re happy to make these classics available again for future generations to enjoy
