Sunset Deceptions Cherie Bennett, 1993 Sam asks Carrie to marry him so he can get a green card and stay in the U S Should Carrie say yes Serious about Series Silk Makowski, 1998-10-15 An insightful evaluation of over fifty popular series with an introduction that analyzes the teen series paperback genre and its significance for both teen reading practices and library services Hundreds of titles are annotated in the book Makowski provides distinct criteria by which these series can be judged for quality within their genre and emphasizes them as an inexpensive way to fulfill patron needs and increase circulation by bringing young people often considered non readers into the library Dance of Deception Kim Simons, 2019-01-04 Kira Michaels is a beautiful master of deception an ex FBI agent who turns rogue warrior in pursuit of rich criminals who seem to always slip through the hands of the law She is a twenty something bombshell with a body she packs as a secret weapon using her beauty and psychological profiling expertise to entice compromise and sue rich felons on her way to amassing a great fortune When her last victim learns he has been duped he goes into a murderous rage for revenge Aware of Kira s pursuits the FBI follow Kira to apprehend the felons she is after The truth is Kira does not need the FBI s intervention No one is better at taking down criminals than Kira She is a vigilante of justice a badass female with a taste for reckless abandon It may lead to her safe place or it may lead to her death The chase is in her blood the adrenaline fix is her drug and she craves it The action heats up as the FBI follows Kira as she goes on to another lover to burn Dance of Deception is a thrill ride filled with suspense danger and sizzling sex The Billionaire's Deception Shawna Delacorte, 2022-09-12 High powered billionaire Beverly Hills attorney Trent Nichols takes a three month sabbatical to shake his feeling of career burnout and ends up in the San Juan Islands off Washington State Right away he encounters a beautiful down to earth owner of a diner bar and feels an immediate attraction to her But when she expresses a hostile opinion of attorneys he decides to keep his profession to himself a little deception he believes won t matter He s not there to stay As a transplanted Chicago banker with a contentious divorce from a lying cheating attorney Cassie Brockton loves her new life on the island where she inherited a diner bar from her great aunt A stranger in town grabs her full attention and though he s not telling her everything she senses she can trust him and lets down her guard But when the island draws him in just the change his life needs and his affection for Cassie grows Trent s deception has him caught in its web that threatens both their futures **Dixie's First Kiss** Cherie Bennett, 1994 Tori's Crush Cherie Bennett, 1994 Official Documents, Comprising the Department and Other Reports Made to the Governor, Senate, and House of Representatives of Pennsylvania Pennsylvania, 1893 Deception at Work Michael J. Comer, Timothy E. Stephens, 2017-05-15 Deception at Work tells you how to recognize and deal with lies in meetings negotiations discussions and in writing It is guaranteed to make you a more effective and confident operator no matter what job you do Simply leaving the book on your desk for others to see will improve your chances of not being deceived The book exposes deception in all of its forms linking the authors 40 years of

experience in dealing with fraudsters with the most recent findings on MRI scanning and the human brain It explains how why and in what circumstances both achievement and exculpatory lies are told and how they can be resolved It sets out a low key but effective plan for dealing with liars in all shapes and sizes from confidence tricksters to malingerers and hard nosed fraudsters This ground breaking work includes the most comprehensive summary of the clues to deception of any book currently in print

Photography: The Art of Deception ,2016-10-17 Photography is a lie Just think about it photographers create two dimensional images that sometimes even lack color and then expect everyone who views the image to believe that this is how the subject and scene appeared in front of the lens in real life What is truly amazing is that people fall for the visual trickery readily almost as if they want to be deceived It gets better people still believe that one can photograph only what is really there In this book Irakly Shanidze reveals the smoke and mirrors that the best photographers use to surprise entertain and inspire viewers He explains that the individual features of photographer s perception and technical limitations of his equipment make him do things that may eventually make a picture look very different from how a viewer would see the same scene with a naked eye and can lead to a ruined picture Conversely photographers who understand these phenomena can use the aforementioned constraints to deliberately adjust the level of truthfulness in their pictures In each beautifully illustrated chapter Shanidze discloses the photographic tools that enterprising photographers can use to create visual deception e g to create a sense of dimension create day for night effects establish mood simulate candid photographs and generally suspend disbelief without the time consuming post processing In doing so he describes the image objectives in other words defines the image concepts and introduces the tools needed to achieve them whether a lens of a certain focal length a light of a specific wattage or a given shutter speed He also deconstructs some of his favorite images to show readers how he was able to create a chiseled deception of his own Armed with this book photographers will learn to truly take the reins in their photographic pursuits and deliver supercharged iconic storytelling images
