you talk about food weight and self worth forever We live in a world designed to make us hate our bodies By the time  
children start school most have learned that fat is bad As they get older many pursue thinness to survive in a society that ties  
their value to their size Parents worry both about the risks of their kids fixating on unrealistic beauty standards and about  
them becoming fat Meanwhile multibillion dollar industries thrive on our insecurities and the medical system pushes weight  
loss at almost any cost Talking to researchers doctors and activists as well as parents and young people Virginia Sole Smith  
lays bare how diet culture has perpetuated a crisis of disordered eating and body hatred She exposes our internalised  
fatphobia and shows why we need to let go of shame and start supporting young people in the bodies they have *Fat Talk* is a
