## Things To Come:

**Good things to come** William Wollaston Pym,1847 *Greater Things to Come* C. Wilson Hart,2010-02 Everyone must realize that they are an integral part of the cosmic unfolding of the universe This unfolding is a mystery to most earthly inhabitants Although these mysteries are profound in nature the author has had their meanings revealed to him after thirty years of study and meditation These mysteries have been sealed up for over two thousand and seven hundred years They were promised to be opened in future years which are the end times which is now We are living in the end times and the words of the ancient scrolls have been opened to us The book *Greater Things To Come* reveals the truth of prophecy and lays out a road map of things to come No longer do people have to delve into ancient writings and signs which give dates and hints of vague cosmic disruptions The truth is all formulated and verified in this book in order that you will know where you are going and how you can get there You will know the purpose for your life and how you can achieve your full potential Everyone is unique and has a role to play in the cosmic unfolding of the universe When you read the book *Greater Things To Come* you will be changed for the better

**The Epistle to the Hebrews** Samuel Ridout,2015-04-18 Publisher s Introductory Back in the eighteen and early nineteen hundreds there were a group of men known as the Plymouth Brethren These men had many writings and many of them were taken from Lectures given in many areas and at different times during this era Some were given in different languages and then translated into English I have taken many of these writings and messages and formatted them so they could be read on tablets and phones In other words they are in epub and mobi formats I have set up indexes with headers and have enabled text to speech I then run them through a checker to make sure the ebook format is without errors In doing this I have produced a high quality product for a very low price These are not just scanning of old writings but have been completely redone by hand I started doing this for my own private use I found there were others who wanted them also so after praying about it and contacting publishers who already got permission to use all these writings and lectures I too got permission via email which I have on file I now have over 230 of these writings in ebook format on Amazon for the Kindle and on Google play for the Android OS Hopefully this number will keep increasing as time goes on

Prefatory Note There is no introduction to the *Epistle to the Hebrews* and little need for any preface here Where Christ is the absorbing theme everything must yield to Him and explanations are out of place The main themes of the book are the person of Christ His priesthood and sacrifice and the place into which He has introduced His people Everything is measured by these standards and loyalty to Him is the crucial test for all that would claim attention In these closing days of the Church s history where there is a strong tendency back into that which apes Judaism a carnal religion without divine power and where the person of our Lord is lightly esteemed if not absolutely degraded it is to be hoped that this little book will serve to call back the thoughts of His people to
