Why Publish? Brad Fregger, 2004 Why Publish is a very candid assessment of the publishing industry Brad fills a significant niche in the scheme of book publishing For many authors Brad s solution is the best way Tom Borders Founder of Borders Bookstore Why Publish discusses the current state of book publishing and print on demand POD in a clear and informative way In addition Brad s solution which delivers a high quality product through an author funded process is one that many writers should seriously consider Gary Hoover Founder of BookStop and Hoover s Online With the advent of digital technology in the book publishing industry it has become possible for anyone to publish The question is Should you This is a difficult question especially for the thousands of writers who have not been able to publish through the traditional channels The whole question of self publishing is a difficult one to answer Some say it s an acceptable effective way to get your story message others say it s an unacceptable solution who s right And under what conditions Then there s the whole question of POD Print On Demand publishing Some say it s the wave of the future others that it s a method of publishing that no serious author would ever get involved with Again who s right With all of this conflicting information significant chances of failure of wasting one s time and money there s little doubt why confusion exists Brad Fregger CEO of 1st World Library an author services book publishing company deals with this confusion on a daily basis and has written this book to help make sense of what s going on It was his own frustration with the process as well as his passion for the new technologies and their impact

that caused him to found 1st World Library and now write this book He takes the confusion out of the process and provides the information you need to make the right decisions for your book *Bulletin of the National Conference of Charities and Correction* National Conference of Charities and Correction (U.S.),1920 Benchmarking in the Public and Nonprofit Sectors Patricia Keehley,Neil N. Abercrombie,2008-05-16 Based on the most current research this new edition of the best selling guide provides an updated solution driven methodology for benchmarking in both the public and nonprofit sectors Unique in its focus solely on benchmarking the authors take a step by step approach to two benchmarking techniques differentiating between the two and then providing a new approach to solution driven benchmarking that requires less time and fewer resources Benchmarking in the Public and Nonprofit Sectors provides new tools many updated case studies and additional examples not only from government and nonprofit agencies but also from the international community This important resource will help practitioners implement a quick proven method as they search for solutions to their most pressing problems Jacket *Indiana Bulletin of Charities and Corrections* ,1922 1897 1936 include Proceedings of the Indiana State conference of social work for 1896 1935 1924 36 include the Annual report of the Dept of Public welfare for 1923 24 1933 34
