Public Health Reports ,1923      **Empty Tomb, Apotheosis, Resurrection** John Granger Cook,2018-09-06 Back cover In this work John Granger Cook argues that there is no fundamental difference between Paul s conception of the resurrection body and that of the Gospels and the resurrestion and translation stories of antiquity help explain the willingness of Mediterranean people to accept the Gospel of a risen savior      **A collection of extracts from various periodicals, referring to Edward Irving** Edward Irving,1833      Automotive Industries ,1907 Vols for 1919 include an Annual statistical issue title varies      **Is the Bible True?** David Robert Ord,Robert B. Coote,2018-03-07 Is the Bible True offers a lively down to earth look at the origins and nature of the Bible Minister David Ord and biblical historian Robert Coote address many of the questions raised when ordinary lay readers come face to face with dilemmas posed by modern biblical scholarship Part I begins with the question of how the Bible should be read Is the Bible True traces the experience of a person who has grown up reading the Bible literally but who on closer inspection discovers that literally is not nearly literal enough The study of Scripture that ensues leads to a new approach to reading the Bible and uncovering its meaning for today Part II asks how the Bible came to be Who began the writing process and when How were the books collected into the form we know now Exactly what kind of book is the Bible Part III shows how understanding the history and reality of the Bible can make reading it a more meaningful experience especially in sorting out the difficult issues that confront us every day Is the Bible True succeeds in showing how a more sophisticated understanding of the scriptures can enhance rather than undermine faith It is required reading for everyone who reads and studies the Bible      *Rev.
