BROWN,2025-04-15 In the village of Hawthorn where the first whispers of winter stir the trees and the cold air carries the promise of a new year the Winter Feast is a sacred tradition On the longest night twelve candles are lit one for each month of the year illuminating the dark snowy streets and filling the hearts of the villagers with warmth and hope But these candles hold a secret far older than the village itself They are tied to an ancient magic a delicate balance between the seasons guarded for generations by the keepers of time For centuries the twelve candles have ensured the world s seasons turn as they should maintaining harmony between summer autumn winter and spring Yet hidden away in the depths of the forest lies a forgotten thirteenth candle dormant waiting Only one person knows of its existence Mrs Finch an old woman with eyes as sharp as a hawk s whose connection to the ancient magic runs deep She s known for years that the thirteenth candle would one day awaken but she never knew when On the eve of the Winter Feast when Ivy Wren turns twelve the impossible happens As the village gathers to celebrate a strange breeze stirs the night air and the thirteenth candle flickers into life casting a cold pale light that sends a chill through the village The ground trembles The seasons themselves tremble And as the clock strikes midnight Ivy s quiet curious life is upended forever The thirteenth candle has opened a door and the fate of Hawthorn and perhaps the world itself will never be the same again Perfect for fans of magical realism folklore and coming of age adventures The Thirteenth Candle is a tale of ancient magic dark secrets and a young girl destined to save her village from the endless winter that threatens to consume it Suitable for children ages 8 to 12 The Moonlit Bookstore Series Where stories come to life and imagination unlocks every door Step inside the Moonlit Bookstore where each book holds a hidden world waiting to be discovered In this magical series children find themselves swept into fantastical realms filled with talking animals mystical creatures and adventures beyond their wildest dreams But with wonder comes danger and each young hero must face challenges that test their courage heart and imagination Perfect for readers who believe in the power of stories The Moonlit Bookstore Series is a journey into the limitless world of dreams where every page is a portal and the greatest magic lies within Books in this Series The Enchanted House The Silent Kingdom The Enchanted Paintbrush The Magic Boots The Easter Egg Hunt The Forgotten City The Midnight Carnival The Dragons Egg The Garden Of Dreams The Thirteenth Candle You can now purchase all 10 stories in one volume The Moonlit Bookstore Collection B0F7ZBXZB9 [The Necromancer Candle](#) Randy McCharles,2014-08-01 A collection of three new novellas by Canadian Speculative Fiction author Randy McCharles The collection includes The Necromancer Candle Cassidy s family has a secret An ancient ugly candle passed down through the generations until it is has been all but forgotten But now someone is looking for it or so Cassidy thinks A victim of terminal brain cancer Cassidy no longer trusts what she sees But real or imagined the upheaval of Cassidy s life is moving

The Thirteenth Candle David York, 2026-01-18 A haunted town. A forgotten ritual. A final candle that must never burn. The Thirteenth Candle is a supernatural thriller that blends psychic suspense, occult mystery, and high-stakes paranormal investigation into a dark, immersive experience where nothing behaves as it should and where time, memory, and reality unravel with every step. When The Circle, an elite psychic strike team, arrives in the abandoned town of Wyrmswood, they expect a routine occult disturbance. Instead, they find a dead village steeped in secrecy and held together by forces older than human history. The land pulses with residual energy. The buildings whisper with fractured memories. And buried beneath it all lies a ritual designed to bind something powerful, something that is beginning to wake. In the heart of Wyrmswood sits a forgotten binding chamber containing twelve melted ceremonial candles and an empty space where a thirteenth was meant to stand. As Charlotte Reigns, clairvoyant and mirror-walker, confronts reflections that show places she has never seen, and Sebastian Ryss, medium and ancestral reader, uncovers echoes that refuse to stay silent, the team is pulled deeper into a labyrinth of corrupted glyphs, unstable timelines, and psychic distortions. Marin Vale's sigil-based technology strains to withstand an energy pattern it cannot fully decode. Ayla Khoury's elemental resonance exposes fractures beneath the ground where ancient forces move in the dark. Jaxson Dane follows psychic trails that loop back on themselves, bending chronology as if the town were remembering its own future. Every clue points to the same chilling truth: someone is trying to complete the unfinished ritual by lighting the missing candle. If the thirteenth flame is ignited, the boundary between worlds will collapse, and Wyrmswood will become the entry point for something that should never cross into the living realm. As illusions intensify and psychic traps tighten around them, The Circle must confront a threat capable of turning their own gifts against them. Together, they navigate a maze of occult history, generational secrets, and spiritual deception, inching toward a final confrontation where the cost of failure is catastrophic. Atmospheric, gripping, and relentlessly immersive, The Thirteenth Candle delivers a cinematic fusion of paranormal suspense, team-based psychic warfare, and supernatural mystery. Fans of dark ritual thrillers, occult investigations, and psychic-powered fiction will be drawn into a narrative that escalates with every
