The Twisted Tree (Valancourt 20th Century Classics) Frank Baker, 2021-05-04 The twisted tree is a blackthorn branch picked by Tansy Penderil a naive young Cornish girl on the same day she meets the handsome but diabolical Roger Chailey in the woods for the first time But it is not the only souvenir of their encounter eighteen years later Tansy s son David is the living image of Chailey sharing not only his father s good looks but also his immoral ways David s resemblance to her first lover triggers powerful feelings in Tansy and leads to a strange relationship between mother and son as well as a terrible and shocking conclusion The Twisted Tree 1935 is the extremely rare first novel by Frank Baker 1908 1983 best known for his avian apocalypse novel The Birds 1936 and his classic fantasy Miss Hargreaves 1940 A story that one critic said might have been written by the ghost of D H Lawrence seated on the grave of Mary Webb Baker s brooding Gothic drama is an important rediscovery that remains a gripping and powerful read A dark and terrible tale Howard Spring An imaginative novel told with a haunting sense of subconscious evil The climax comes with startling effect A vivid and stirring book Manchester Evening News A thoroughly interesting and often moving tale Compton Mackenzie *The Bent Tree and the Sleeping Tiger* Christopher Dutton, An old hermit monk journeys to the edge of a vast plain of long grass and resides under a great Bent Tree where also rests a sleeping tiger While there he is visited by various characters who seek some solution to their life problems The old man uses tales debate and taoist philosophy to help them weave their way back into a happier tapestry of life These tales mix humour with deep thought which at first confounds but always enlightens in the end Far from the Road

the road more or less travelled there is under the Bent Tree surrounded by long grass an Old Man and a sleeping Tiger That is to say that sometimes the man sleeps and sometimes the tiger sleeps There are times too that both sleep but because there is always peace there are never times that both do not sleep Strangely too there is always one tiger for one man or one woman never more never less What does this mean We know the road is life more or less travelled We know the long grass is the vagueness of fates between living and wisdom We see things in the distances of our destiny but how do we get there Do we want to get there The Bent Tree is easy It is Death and it is Wisdom For all knowledge comes with Death the Great Portal and then that is the end of all Knowledge Which is Wisdom also The Death of all Knowledge Under the Bent Tree knowledge sleeps We are left to explain a man and a tiger The tiger sleeps and the man is awake The man is Logic Reason Consciousness The man sleeps and the tiger roams Do not be alarmed however Though the tiger is indeed a man or woman s passions without reason and logic passion is only passion It is Natural It creates It knows nothing of evil Unless the man or woman awakens also Then we have a soul to deal with

cabin that's slightly off the grid. She claims to subsist off the land and prefers to do so without the benefit of hunting or fishing licenses. Nettie is bound to have a clash or two with the local woods cop, CO Will Ketchum, and the chronically cranky Judge Nightshade. Most places that Nettie goes, her cityfied nephews Wanton and Wiley tag along to muddle up her plans. Nettie will meet up with Church Lady Bea Righteous, as well as Tami and Evi Maki, thrice removed cousins in an erratic road rally with a cash prize that brings out the worst in everyone. No spoiler alert for the surprise ending in this collection of short stories featuring a strong dose of the Yooper way. Terri Martin writes fast-paced little tales peppered with humorous disasters following one after another. If you live in the U.P., you'll have heard plenty of fish tales and hunting sagas from your outdoor friends. Some of them may be whoppers, but none as big as the ones Nettie Bramble tells. Jon C. Stott, author of *Yooper Ale Trails Roadkill Justice*, has to be among the funniest books I have ever read. Our heroine's ongoing battle with the law, the clever use of malapropisms, and the caricature of a now-gone culture had me laughing several times on every page. Bob Rich, author of *Hit and Run Roadkill Justice*, s' unlikely heroine Nettie Bramble is rough-edged but big-hearted with sisu to spare. Author Terri Martin does a fantastic job of capturing the spirit and the spunk of the Northwoods character in a plot that sweeps her reader along like a fast-running trout stream on a delightful ride filled with twists, turns, laughter, and the occasional explosion.
