**Twisted City** Jeremy Mac,2019-11-03 Cataclysmic events rock the world bringing with it a wave of panic and destruction civilization has never seen Cities tear themselves apart governments crumble countries wither and die and to add to the catastrophe a deadly virus simply referred to as The New Disease follows in the wake Many survivors adopt a resilient ruthlessness to equalize their modern nature with that of the world of today for

the sake of survival But there are still those who dwell within the remnants of yesteryear desperately holding on to a thread of hope for a better tomorrow Claxton once known as the City of Cities has divided itself into two opposing sides The north side now named The Pinnacle has rebuilt itself to nearly economic perfection within its concrete and steel environment with fully operational farms and gardens and a perpetual supply of purified water The south side Maddick named for the man who leads them is infested with all walks of madness and criminals from what was spat from the bowels of the old world and they are all overwrought with bloodlust and envy The Pinnacle is barricaded within high walls the front gate is the only access armed guards walk these walls and gate around the clock but The Pinnacle has been breached before and with the right instrument it can be breached again And then a stranger to the city shows up in a pristine vehicle loaded with food and weapons But the mysterious stranger hasn't come to battle nor to barter with either side The reason for his sudden presence runs much deeper than anyone can imagine and he will do whatever it takes to fulfill that reason

**Heart of the Wyrdwood** RJ Barker, 2025-06-24

From British Fantasy Award winning author RJ Barker comes the epic conclusion to the Forsaken trilogy set in a forest straight out of darkest folklore with outlaws fighting an evil empire and warring deities That thing in Tiltspire it keeps Cahan like a trophy It says to us here is your strongest and I have killed him Cahan Du Nahare is lost taken by a dark god whose tendrils reach throughout the world intent on its destruction Those who followed Cahan are spread across the land desperate and lost now fate has turned against them The Reborn warriors are toys for the enemy the warrior Dassit forestal Ania and monk Ont are drawn to the dangerous north but do not know why Udinny is forced into the company of a woman who desires nothing more than her death and the Rai Sorha leads a dwindling band on a mission even she believes is doomed to failure Only the trion Venn remains hopeful slowly growing in power and trusting in the path of their god But maybe all is not lost The great Wyrdwoods of Crua may be ancient and slow to act but something in them is waking Wyrdwood is coming For
