Sand Between Our Toes Polly Wylly Cooper, Ellen Lyle Taber,2009 Endorsed by Author Pat Conroy Two Nostalgic Books about Tybee Island Georgia A Cultural History and a Photo Journal Top Savannah s December 23 2009 Bestseller List Old Tybee has returned Two cultural histories of Tybee Island recapture island life and voices over the course of a century Complete with stories and pictures the first of the companion books Tybee Days One Hundred Years on Georgia s Playground Island pays tribute to the families who visited settled and worked on the island from the 1860s to the 1960s before the famous Tybrisa Pavilion burned The book documents early attempts to develop an alternate ocean resort on nearby Arkwright Island and its resulting failure Tybee landowners and the State of Georgia then paved the way for the first cottages to be built on the pristine island with its three mile long beach From steamboats to Prohibition to the Big Band era to the playful innocence of the 50s and 60s authors Ellen Lyle Taber and Polly Wylly Cooper capture the celebration of everyday life through the eyes of Tybee s diverse population As the island grew it beckoned churches and schools hotels and shops A young Chinese immigrant brought opportunities with his business acumen and quiet modesty Black rivermen plied the creeks for oysters and sold their shells to build the roads Even Tybee s children worked delivering buckets of shrimp to neighbors catching crabs for the evening dinner or stocking shelves at Chu s Department Store Tybee Days chronicles the lives of Army lighthouse and island children and their adventures while fishing crabbing swimming camping and exploring the creeks and hammocks in leaky wooden bateaus The book heralds the famous bandleaders who chose to begin or end their

east coast tours on the Tybrisa Pavilion The authors who spent their childhood summers on the magical island interviewed more than 400 families to recreate stories of life on Tybee that are meant to both entertain and educate Sand Between Our Toes The Tybee Island Family Photo Album spills over with hundred of photos from private collections Captions and anecdotes true life wit and witticisms introduce the locals and the famous including Ted Turner Johnny Mercer and General Dwight Eisenhower Chronicled in decades from the early 1900s to the present day Sand Between Our Toes reminds all islanders and visitors that times may change but the magic of Tybee remains the same a thrilling adventure for its children

Tybee Days Ellen Lyle Taber, Polly Wylly Cooper, 2009 Ellen and Polly have captured the very essence of one of the Coastal Empire s jewels Tybee Island The book brings wonderful memories of childhood to mind as well as later memories of lost weekends film producer Stratton Leopold **Tybee Island** Gustave Kreh, 2006-04-01 **A Walk on the Beach** Buddy McCoy, 2007-05 It was a cold January afternoon when Buddy and Olivia arrived at Sea Island They came from different corners of the state to a Georgia Association of Realtors convention a black tie affair that attracted nearly six hundred participants Buddy was divorced and Olivia was a widow Olivia smiled as she watched Buddy flirt with the young lady at the ticket counter Little did she know his attention would become focused on her later in the evening Whether the meeting came by chance or by destiny the two lonely souls needed A Walk On The Beach Soothing music by the band after dinner was an invitation to dance The ballroom was packed Buddy was in the hunt He circled the room three times leaving no stone unturned Near the end of the third lap he was stopped dead in his tracks There she sat wearing a low cut sequined blouse and the baby blues and the smile and the silky blond hair sent tremors through his heart Her beauty radiated like a beacon from a lighthouse It would be their first dance of many over the next few years and at one point they danced alone to cheers from the crowd The courtship blossomed after that first meeting but there were challenges Olivia lived on Tybee Island and Buddy lived in Moultrie some four and a half hours away Buddy did most of the driving of course for the chase was on Tybee became their playground with long walks on the beach dinner parties and romantic sunsets Share the intimacy humor and trials of this true love story as it unfolds through their e mails Feel the warmth and passion of the relationship as two adults strive to give love a second chance *Living with the Georgia Shore* Tonya D. Clayton, 1992 The wide sandy beaches quiet maritime forests and vast Spartina marshes of the natural Georgia coast create a most spectacular albeit gentle Southern beauty Casual visitors and longtime residents alike have been charmed by this special place Living with the Georgia Shore provides an essential reference and guide for residents visitors developers planners and all who are concerned with the conditions and future of Georgia s coastal zone Recounting the human and natural history of the islands the authors look in particular at the phenomenon of coastal erosion and the implications of various responses to this process In Georgia as elsewhere in the United States the future of the shore is in doubt as recreational and residential development demands increase This book provides guidelines for living with the shore as opposed to simply living on it The former requires

planning and a wise choice of property or house site The latter ignores the potential hazards unique to coastal life and may make inadequate allowance for the dramatic changes that can occur on any sandy ocean shore Living with the Georgia Shore includes an introduction to each of the Georgia isles an overview of federal and state coastal land use regulations pointers on buying and building at the shore a hurricane preparation checklist a history of recent hurricanes in Georgia an extensive annotated bibliography and a guide to government agencies and private groups involved in issues of coastal development

The Sands of Tybee Island C. Michael,2018-08-15 The Sands of Tybee Island though written as a novel is based on a true story The story is about the year that I was going through the transition from being a little boy into being a teenager It s about how my daddy balanced out my mother s parental alienation through her hostile aggressive style of parenting The story tells how Daddy and Mr Andrew s treatment of me prevented serious damage to my mental and emotional well being During these years of conflicting treatment by my parents I became vulnerable to mental manipulation and bullying by Mother during my early years as a child I often felt that I was the problem I saw Mother as my enemy to be feared hated and avoided My years as a child were disturbing confusing and often very frightening to me I was robbed of a sense of security and safety As it turned out in 1957 I was also moving from boyhood into the beginnings of becoming a man This is not just my story but in many ways it s every young boy s story It s the story of the men who had a tremendous influence on my early development and the men in the lives of other young boys and the role they play in helping maturity come about So you men who may read this book be aware of the shadow you cast in the young lives around you **More Tybee Island Heroes and Hooligans;**
