*Unleash Your Subconscious Mind Power: 8 Habits of The Mindynamics System Practitioners* Andy Soh,2014-11-03 Many people have been trying to explain the power of the

subconscious mind through books and seminars for more than a century. Different writers approached this subject at different angles and most of them did not achieve their expected results as most readers did not really understand the concept or were not really convinced with what they have read. This book comes with a unique intention of helping you to achieve anything you really want and equally important getting rid of anything you do not want. This is done by optimizing your subconscious mind power through The Mindynamics System. During those years of application and practice I have managed to find out more about the subconscious mind what works and what doesn't and why. I have also created The Mindynamics System that explains clearly why and how the subconscious mind works. The theories and techniques I have covered in this book do align with what The Secret and The Law of Attraction teach. There may be some differences in techniques and perspectives but the principles are the same. I have found the codeword for motivation and I am now sharing with you. With the new challenges in the 21st century I believe the codeword for motivation The Subconscious Mind will be the deciding factor for success as the subconscious mind does magic and create miracles. With this book I will show you the techniques to unleash the power of your subconscious mind through The Mindynamics System. You will be able to BE YOUR BEST and achieve your goals. Be pleasantly rewarded as the results you attain are fast, efficient and permanent.

Sensing Spirit Mitchell Coombes, 2011-09-01. With his down to earth friendly manner, celebrity psychic medium Mitchell Coombes provides the reader with an intriguing and illuminating entrance into the world of Spirit. Have you ever experienced an uncanny coincidence? Do you wonder about your Spirit Guide? Have you been trying to get in contact with a loved one? Do you need help deciphering signals from Spirit? Since his childhood Mitchell Coombes has been able to see dead people except he called them green people and considered his gift a normal part of life. In Sensing Spirit he shows how everybody else can make their own psychic abilities part of their everyday lives too. Mitchell shares the funny and heart warming stories of his life as a psychic medium and reveals the ways that spirits may try and connect with their living loved ones. Most importantly he shows us how to hear, know or see when a spirit is trying to make contact. Sensing Spirit includes many incredible real life stories like Maxine who witnessed her daughter Bella sitting up in bed hugging the air right before Maxine received a phone call to say her mother had just died. Before she had a chance to tell Bella the news Bella asked her if Grandma was going on a holiday because she'd just come and given Bella a hug goodbye. Or like Judy who had a terrifying dream her husband had an accident with a black Mazda and rang to warn him. Her husband laughed it off until he nearly crashed into a broken down black Mazda moments later. Mitchell explains how to understand these signs from Spirit as well as discussing psychic phenomena like mysterious orbs, apparitions, electrical disturbances and how to achieve protection from psychic vampires. The book contains the answers to frequently asked psychic questions: Can Spirits tell us winning lottery numbers? Do pets have sixth sense and do spirits watch us all the time? He also includes a helpful guide to what to expect when meeting a psychic medium and explores the tools of the trade: crystal balls, tarot cards, psychometry. Learn how to recognise the signs when your loved ones
