*The Wilderness Experience* Moy Hernandez Jr., 2021-07-14 For sixteen years Moy served as an Officer Pastor with The Salvation Army in the Southern California area After struggles with his wife seemed irreconcilable he moved to Central Florida where he experienced the darkest days of his Wilderness Experience During the past five years God has begun to rebuilt his life including the restoration of his wife and children It is from the depth of this experience that this book was born in the hopes of helping others as they journey through their own dark nights of the soul

**The Wilderness Experience** Olabisi Adamu, 2020-05-19 In life there are inevitable alternations in our times and seasons We have the good and bad times the rainy and dry seasons the winter and the summer These cycles are part of life but they are not only limited to our physical experiences In our spiritual experience we will also find such alternating seasons For us Christians the wilderness experience is one of those seasons we wish and pray that they never show up yet they cannot be avoided The bone of contention is not whether a Christian will pass through spiritually challenging times but when The reason many Christian fall flat in trying times is because they do not prepare for the storm that will eventually strike This book does not only help you prepare ahead of time but also for Christians going through difficult times and wondering why God has gone silent on their case it discusses in details all you need to know about the wilderness experience It shows you how to know that you are in such season of your life and most importantly how to emerge from it victoriously In this book Olabisi Adamu did not only debunk many lies and misconceptions of the present day Christianity but has provided biblical proofs that brought to fore the truth we need to wield and act on if we must win over trials and temptations in difficult moments of life This book is a necessary material for a victorious Christian life
