Womans Way:

Woman's Way Through Unknown Labrador Mina Hubbard,2004 In 1905 Mina Benson Hubbard became the first white person to cross Labrador documenting her travels in the classic A Woman s Way Through Unknown Labrador This reissue edited and fully annotated by Sherrill Grace makes the complete work available for the first time since the original 1908 publication and features an introduction that situates Hubbard s writing in the context of her life and times making clear how difficult it was for a woman of her day to undertake such an expedition and to give public lectures and write about her experiences
