NOW HIRING Sherridean Abdeeen, 2025-09-03 For decades the federal workforce was built on loyalty discipline and the desire to serve The best and the toughest were recruited not for their degrees but for their commitment to the mission Agencies didn't just fill seats they built careers trained patriots and held employees accountable But over time standards dropped bureaucracy took over and careerism replaced real service Now the system is full of paper pushers opportunists and people who refuse to even take the oath of office Accountability has faded Internal Affairs is a joke and the workforce is weaker than ever It's time to fix it This book is a guide to restoring what worked Using real experiences hard truths and proven strategies it lays out exactly how we can rebuild the federal workforce with integrity discipline and the right people Who should be hired and who should be cut loose How to bring back real oversight and accountability Why the federal government isn't just a job it's a lifestyle Lessons from someone who lived through the best and worst of it **Motivation**
