Yahwehs Bride:

Yahweh's Bride Gertrude Constance McKinney,2004-07 The devil has indeed deceived the whole world and in this book you will discover his devices on how he accomplishes this Just as the scripture says the whole world is deceived That means all the religious leaders who think that they have the knowledge of the Kingdom of heaven had better take another look They have placed themselves as leaders over millions of people and have led them down the paths of that very deception The Messiah calls them blind guides and those who cannot escape damnation In this book you will take a journey back to the past through an adventurous time machine to witness the true foundation of modern day worship Who is God Who is Jesus Where did his name come from Is God and Yahweh the same person The answers to these questions will challenge you to take a different look at the world around you It will also leave you wondering why truth was covered up In this book the veil of truth will be uncovered By the end of the book you will be compelled to search for Yahweh s bride in the earth Where Yahweh s heart is there you will find His treasure She is truly a diamond in the rough Yahweh bought her with his blood Can you find her
