Soviet Planning Today Proposals For An Optimally Functioning Economic System:

Soviet Planning Today Michael Ellman,1971 *Soviet Planning Today* Michael Ellman,1971 **Communist Planning versus Rationality** János Mátyás Kovács,2022-04-14 This volume examines concepts of central planning a cornerstone of political economy in Soviet type societies It revolves around the theory of optimal planning which promised a profound modernization of Stalinist style verbal planning Encouraged by cybernetic dreams in the 1950s and supporting the strategic goals of communist leaders in the Cold War optimal planners offered the ruling elites a panacea for the recurrent crises of the planned economy Simultaneously their planning projects conveyed the pride of rational management and scientific superiority over the West The authors trace the rise and fall of the research program in the communist era in eight countries of Eastern Europe including the Soviet Union and China describing why the mission of optimization was doomed to fail and why the failure was nevertheless very slow The theorists of optimal planning contributed to the rehabilitation of mathematical culture in economic research in the communist countries and thus to a neoclassical turn in economics all over the ex communist world However because they have not rejected optimal planning as computopia there is a large space left behind for future generations to experiment with Big Optimal Plans anew based at this time on artificial intelligence and machine learning **Market and Plan under Socialism** Jan S. Prybyla,2019-11-07 In this volume the author provides an analysis of the centrally planned socialist state economies and their common percentage in the Stalinist Plan introduced in the Soviet Union in the late 1920s Prybyla first explores the neoclassical plan in two variants conservative and liberal the radical plan Maoplan and the Yugoslav experiment neomarket Yugoplan He then examines specific countries as their governments search for alternative solutions to the economic problems that plague them His dynamic presentation of the economic models clearly shows the transformation of the original Stalinist model reveals the obstacles to reform created by the structural problems that exist within these economies and demonstrates that inherent deficiencies within the systems must in time affect growth and balance *The Socialist Calculation Debate After the Upheavals in Eastern Europe* Pascal Bridel,1993 *Problems of Communism* ,1973 *Soviet and Post-Soviet Economic Structure and Performance* Paul R. Gregory,Robert C. Stuart,1994 This text has been updated to focus on the radical changes which the former Soviet Union has recently experienced its reorganization and its transition from a planned to market economy examining the history of the Soviet Union more succinctly than in previous editions **Comparative Economic Systems** Paul R. Gregory,Robert C. Stuart,1989 **Occasional Papers** ,1971 **Mathematical Economics and Operations Research** Joseph Zaremba,1978 **Michigan Business Papers** ,1980 **Research Training and Development; Liaison Bulletin Between Development Research and Training Institutes** Organisation for Economic Co-operation and Development.
