Sometimes in the spotlight often in the shadows the bishop's spouses struggled to fulfill unpaid roles and undefined responsibilities in the church usually far from family and friends Ives empathetically highlights how these persons usually without voice or vote helped shape the church's mission and ministry Dr Donald E Messer Executive Director Central for Health and Hope Focusing on Global HIV and AIDS Centennial Colorado Bishops may ebb and flow in their popularity based on their decisions but their spouses are almost universally loved and admired Jane Ives helps readers understand why that is the case with her comprehensive story of the impressive diverse and thoroughly dedicated women and men who have contributed so much to God's work Lovett H Weems Jr Distinguished Professor of Church Leadership Emeritus Wesley Theological Seminary Washington DC In the gospel of Luke Jesus sent the disciples out two by two to every town and country every charge and conference Ives book records the wisdom of sending two and restores the names of those often forgotten in the story of the people called Methodists the spouses These are remarkable oral histories as well as timelines of social holiness and global service This is not a book about survival in ministry and marriage it's a testimony to those who thrived in their calling Heather Murray Elkins Professor of Worship Preaching and the Arts The Theological School of Drew University Madison New Jersey This is a book about discipleship It is also a book about ministry and itinerancy It tells stories of how God sometimes calls two people to the work of episcopacy people who happen to be married to each other It is a book that will make you laugh and cry This book is an important addition to the literature of Methodist episcopacy And it is a hard book to put down William Boyd Grove Bishop Ret of The United Methodist Church Jane Ives has given the Methodist family a priceless treasure Through an astonishing effort to collect memories and explore archival material she has compiled a comprehensive record of episcopal spouses their stories accomplishments and contributions to the church But this book is more than a biographical dictionary It offers a poignant insightful account of the lives of bishops their spouses and families and the impact of the church's expectations on all of them As a little boy I knew firsthand the phone call get on a train to New Orleans with your sister your Daddy is going to be a bishop Allow me to testify then that this book is the real deal genuine human and rich with faith and Spirit Thomas E Frank Associate Dean for Continuing Studies Graduate School of Arts and Science Wake Forest University Winston Salem North Carolina Laity and clergy active in United Methodist life and their spouses will want to immerse themselves in this corporate autobiography which provides an overview of Methodism through almost 80 years of personal experiences and cultural change Jane Ives an episcopal spouse has amassed here narratives reports and communications crafted by her spousal colleagues living and dead as well as by those who have known them For page after page the reader will relive Methodism's sometimes gradual sometimes dramatic evolution and its struggles with race gender inclusivity and global relationships The bishops spouses have shown great creativity in making the most of their opportunities to be together during Council meetings sharing ideas establishing covenant and interest groups and adjusting their organization to respond to changing needs Ives has devoted the final third of the book to profiles of the spouses some

quite famous and others whose names are not even known These vignettes illustrate how different episcopal spouses have lived out their own calling and how they have impacted the church and the world Russell E Richey Dean Emeritus of Candler School of Theology and William R Cannon Distinguished Professor of Church History Emeritus Durham North Carolina
