California, James Henry Deering

State School And Politics:

Black Mayors and School Politics Wilbur C Rich, 2021-12-12 First Published in 1996 Some people believe that if inner city black children had excellent schools they would perform better in them Granted schools are a part of the problem but they are not all of the solution Schools are only buildings where teachers administrators and students interact Learning is a more much complex process There are many forces arrayed against an inner city child that preclude him her from mastering the education process Among these forces are poverty family instability disruptive classroom environments and incompetent teachers There seems to be no end to research and speculation about how to overcome these forces However the author asserts that the gap between black and white children continues to widen With research beginning in 1989 exploring three school systems for this study Detroit Michigan Gary Indiana and Newark New Jersey The book presents a systematic survey of school politics in these three cities giving particular emphasis to local reform efforts

State Politics and the Public Schools Nicholas Arthur Masters, Robert H. Salisbury, Thomas Hopkinson Eliot, 1964 An analysis of the political background of education Describes the position of educators in our state political systems assesses their power and determines where they find support for their demands A close examination of the public school systems in three key states Michigan Illinois and Missouri dispels the myth that American education is divorced from politics and demonstrates what results from a breakdown of communication between educator and politician
