Staying Home Instead:

Stay Home Becky Tunstall,2022-11-22 The UK housing system has been described as being in crisis but suddenly in 2020 homes were on the COVID 19 frontline used for shielding isolating and care Most were used by more people for more hours for more activities Many households were cut off from normal services and contacts and many lost the means to pay for their homes Millions of infections occurred at home and inequalities in household type housing space cost and tenure contributed to the unequal impact of the pandemic This book brings together a wealth of data individual testimony and analysis in one convenient resource for students scholars and practitioners *Gender and the Transition to Parenthood*

Kristin D. Mickelson,Kristen Marcussen,2023-03-15 This book provides a new approach by examining gender and the transition to parenthood by using the actor partner interdependence model Unlike other books which focus on the individual perspective of becoming a parent especially for mothers this book examines how couples and individuals successfully navigate this important life passage This book covers a mix of psychological and sociological studies on the transition to parenthood Readers will learn about the affective behavioral and cognitive aspects of this transition in early 21st century America and how it has changed in the past three decades The book is aimed at graduate students researchers and professionals who are interested in an interdisciplinary approach to this most formative passage in adult life By bringing together past and current research this book tells the story of becoming parents in 21st century America from his her and their points of view Actor partner interdependence model approach Affective behavioral and cognitive processes Broad review of gender and the transition *Oxford Studies in Metaethics* Russ Shafer-Landau,2009-06-25 This is a periodical publication devoted to original philosophical work on the foundations of ethics and includes study being carried out at the intersections of ethical theory with metaphysics epistemology philosophy of language and philosophy of mind

Foundations for Moral Relativism J. David Velleman,2015-11-23 In this new edition of Foundations for Moral Relativism a distinguished moral philosopher tames a bugbear of current debate about cultural difference J David Velleman shows that different communities can indeed be subject to incompatible moralities because their local mores are rationally binding At the same time he explains why the mores of different communities even when incompatible are still variations on the same moral themes The book thus maps out a universe of many moral worlds without as Velleman puts it moral black holes The six self standing chapters discuss such diverse topics as online avatars and virtual worlds lying in Russian and truth telling in Quechua the pleasure of solitude and the fear of absurdity Accessibly written this book presupposes no prior training in philosophy [American Directory of Writer's Guidelines](#) ,2007-02 Perhaps the best kept secret in the publishing industry is that many publishers both periodical publishers and book publishers make available writer s guidelines to assist would be contributors Written by the staff at each publishing house these guidelines help writers target their submissions to the exact needs of the individual publisher The American Directory of Writer s Guidelines is a compilation of the actual writer s
