

Staying the Course Henry M. Jackson and National Security

Edited by Dorothy Fosdick

Staying The Course Henry M Jackson An

Dan Caldwell

Staying The Course Henry M Jackson An:

Staying the Course Dorothy Fosdick,1987 **Know Your Enemy** David C. Engerman,2009-11-20 As World War II ended few Americans in government or universities knew much about the Soviet Union As David Engerman shows in this book a network of scholars soldiers spies and philanthropists created an enterprise known as Soviet Studies to fill in this dangerous gap in American knowledge This group brought together some of the nation s best minds from the left right and center colorful and controversial individuals ranging from George Kennan to Margaret Mead to Zbigniew Brzezinski not to mention historians Sheila Fitzpatrick and Richard Pipes Together they created the knowledge that helped fight the Cold War and define Cold War thought Soviet Studies became a vibrant intellectual enterprise studying not just the Soviet threat but Soviet society and culture at a time when many said that these were contradictions in terms as well as Russian history and literature And this broad network Engerman argues forever changed the relationship between the government and academe connecting the Pentagon with the ivory tower in ways that still matter today *Senators of the United States* ,1995

Senators of the United States Diane B. Boyle,1995 S Doc 103 34 Compiled by Jo Anne McCormick Quatannens Diane B Boyle editorial assistant prepared under the direction of Kelly D Johnston Secretary of the Senate Lists scholarly works that profile the lives and legislative service of senators and their autobiographies and other published works Neoconservatism and American Foreign Policy Danny Cooper,2010-11-10 At the time of America s 2003 invasion of Iraq the term neoconservative was enjoying wide currency To this day it remains a term that engenders much debate and visceral reaction The purpose of this book is to critically engage with a set of ideas and beliefs that define the neoconservative approach to American foreign policy and illuminate many of the core foreign policy debates that have taken place within the United States over the past several years during the administrations of both George W Bush and Barack Obama There is certainly no consensus on how neoconservatism should be defined or thought about While authors attempt to define neoconservatism in a number of different ways none adopt a thematic approach that can enable readers to appreciate the contributions of an intellectual community whose ideas will be forever attached to America s decision to go to war against Iraq This book therefore defines neoconservatism through the ideas and beliefs of its leading intellectual activists casting light on the worldview of one of America s most important and polarizing intellectual communities Exploring the historical significance of this ongoing movement and its impact on American foreign policy traditions this work provides a significant contribution to the literature and will be of great interest to all scholars of foreign policy American politics and American history The Policy Makers Anna Kasten Nelson,2009 This book is about policy makers often unknown who have wielded enormous influence on U S foreign policy With the advent of the Cold War presidents moved beyond their secretaries of state and reached out to individuals in the intelligence or military organizations and to their own White House advisers These essays are about those individuals and the policies they influenced Book Jacket **Henry Jackson, the Jackson-Vanik**

Amendment and Detente John Sinclair Petifer Robson,1989 **A Student's Guide to Scandinavian American Genealogy** Lisa Olson Paddock,1996-05-15 Provides tips and resources to use when tracing Scandinavian American ancestry **Notable American Women** Susan Ware,2004 This latest volume brings the project up to date with entries on almost 500 women whose death dates fall between 1976 and 1999 You will find here stars of the golden ages of radio film dance and television scientists and scholars civil rights activists and religious leaders Native American craftspeople and world renowned artists For each subject the volume offers a biographical essay by a distinguished authority that integrates the woman s personal life with her professional achievements set in the context of larger historical developments **The Dynamics of Domestic Politics and Arms Control** Dan Caldwell,1991 This consideration of the Strategic Arms Limitation Treaty SALT II ratification debate focuses on the role that domestic political factors including public opinion the executive branch of the government Congress and special interest groups play in the ratification of arms control treaties calling attention to the importance of these factors in the treaty ratification process **American Purpose** ,1987 Program of the ... Annual Meeting of the American Historical Association American Historical Association. Meeting,American Historical Association,1987 Some programs include also the programs of societies meeting concurrently with the association *The Final Act* Paul Goldberg,1988 A moving portrait of the Helsinki Watch a group organized to attain civil liberties for the 270 million Soviet citizens by demanding adherence to the Helsinki Final Act a 30 000 word document which represented a blueprint for a safer more humane world signed by the United States the U S S R and 33 other nations **The Papers of Dwight David Eisenhower: The presidency: keeping the peace** Dwight David Eisenhower,1970 Contains primary source material **Friends in Deed** Yossi Melman,Dan Raviv,1995-05-04 The best selling authors of *Every Spy a Prince* journey behind the scenes to examine the four decade evolution of the complex political strategic and economic relationship between Israel and the United States **Principled Diplomacy** Cathal J. Nolan,1993-01-30 This new analysis of governing ideas in U S foreign policy shows how they arise are sustained and challenged both domestically and internationally and become part of the world order Nolan assesses the problems of reconciling concerns for individual rights and liberal principles with national security interests in U S foreign policy over the course of the twentieth century This interpretive survey redefines the key components in the make up of U S diplomacy and provides good reading for students of American government international relations and U S foreign policy American and world history defense and human rights policy This short history traces the notions that liberty is indivisible and that security depends ultimately on the establishment and success of liberal democratic norms between and within states It shows how U S policy vacillates between giving active or passive expression to these ideas always relying on a basic assumption about the presumed pacific character of democracy Utilizing a wide variety of primary and secondary sources it looks at how these ideas became manifest in two major policy settings those affecting the Soviet Union and the UN Through these case studies the book shows how these ideas become progressively

embedded in U S policy how they have been challenged by different interests and events how they were disseminated among and accepted by allies and even several former adversaries and how as a result they now permeate the structures of major international organizations and even underlie the emerging post Cold War international system as a whole The conclusion offers an interesting perspective for the future *Understanding Congress* ,1991 *International Affairs* ,1987 **Adlai Stevenson** Porter McKeever,1989 With complete access to private and official papers Stevenson confidant Porter McKeever has written a masterful biography 25 years after the legendary statesman s death Stevenson s combination of eloquence vision sophistication and popular appeal have few equals and he has remained one of the last great political heroes of our time Photos *Subject Guide to Books in Print* ,1996

Staying The Course Henry M Jackson An Book Review: Unveiling the Power of Words
