**Personality and Intelligence at Work** Adrian Furnham,2008-03-19 Examines the increasingly controversial role of individual differences in predicting and determining behaviour at work

**The Rational Bible: Exodus** Dennis Prager,2018-04-02 A national bestseller Why do so many people think the Bible the most influential book in world history is outdated Why do our friends and neighbors and sometimes we ourselves dismiss the Bible as irrelevant irrational immoral or all of these things This explanation of the Book of Exodus the second book of the Bible will demonstrate that the Bible is not only powerfully relevant to today s issues but completely consistent with rational thought Do you think the Bible permitted the trans Atlantic slave trade You won t after reading this book Do you struggle to love your parents If you do you need this book Do you doubt the existence of God because belief in God is irrational This book will give you reason after reason to rethink your doubts The title of this commentary is The Rational Bible because its approach is entirely reason based The reader is never asked to accept anything on faith alone As Prager says If something I write does not make rational sense I have not done my job The Rational Bible is the fruit of Dennis Prager s forty years of teaching the Bible to people of every faith and no faith On virtually every page you will discover how the text relates to the contemporary world and to your life His goal to change your mind and then change your life

**The Glitches within the Human Race** Stuart Miller,2022-01-05 I provide a deep analytical and philosophical explanation of why certain cultural and social issues exist With each topic I discuss what it is give examples for each and break down each example providing more detail of just some of the possible reasons as to why people do them possible mentalities I also provide some of my own experiences and everything discussed in this book I have personally witnessed and or have gone thru I included the following Situations based on personal experience and or witnessing them with some online research to support certain issues My perception perspective and mentality on various issues that affects everyone to some degree Quotes that further support certain chapter topics Philosophies analogies and comparisons to provide better contextual clarification on certain issues Detailed breakdown of the examples provided within each chapter Explanation of what it will take to help fix each of these issues Some of the many possible reasons why people behave the way they do and some of the possible motives intentions and life experiences from both sides person doing the behavior and the person receiving the treatment Solutions to all the topics that are discussed changes that we need to make with how we think and act towards others Furthermore I provide much thought provoking material to challenge the way we think and view society in ways you might not have considered I discuss many unhealthy mentalities and behaviors which is damaging to people on a much larger scale and it s having a much greater influence on others both directly and indirectly in ways that we do not even realize This book is something the whole world

needs to read and here is why Providing solutions to some of the biggest cultural and social issues which have existed for far too long The way the world is with how we treat others is badly broken and some of the solutions are in this book which the world needs the solutions I provide We do the same or similar behaviors towards others expecting different results and this is not working at all We need to step outside our comfort zone by changing their behaviors in ways we re not used to doing to get something you ve never had you must first do something that you ve never done The world needs to be less close minded and use less tunnel vision the mind is like a parachute it can t work if it s not opened I see the world differently and the purpose of this book is to share different ways of looking at situations and the numerous possibilities to take into consideration I share my perception and perspective viewpoint mentality and some of my own philosophies I provide a more in depth perspective of looking at a variety of life situations and the possible reasons as to why people choose to treat others the way they do I think a lot of people might find this content in general interesting beneficial inspiring and or even life changing

**Scripture as Logos** Azzan Yadin, 2013-06-15 The study of midrash the biblical exegesis parables and anecdotes of the Rabbis has enjoyed a renaissance in recent years Most recent scholarship however has focused on the aggadic or narrative midrash while halakhic or legal midrash the exegesis of biblical law has received relatively little attention In *Scripture as Logos* Azzan Yadin addresses this long standing need examining early tannaitic 70 200 C E legal midrash focusing on the interpretive tradition associated with the figure of Rabbi Ishmael This is a sophisticated study of midrashic hermeneutics growing out of the observation that the Rabbi Ishmael midrashim contain a dual personification of Scripture which is referred to as both torah and ha katuv It is Yadin s significant contribution to note that the two terms are not in fact synonymous but rather serve as metonymies for Sinai on the one hand and on the other the rabbinic house of study the bet midrash Yadin develops this insight ultimately presenting the complex but highly coherent interpretive ideology that underlies these rabbinic texts an ideology that contrary to the dominant view today seeks to minimize the role of the rabbinic

reader by presenting Scripture as actively self interpretive Moving beyond textual analysis Yadin then locates the Rabbi Ishmael hermeneutic within the religious landscape of Second Temple and post Temple literature The result is a series of surprising connections between these rabbinic texts and Wisdom literature the Dead Sea Scrolls and the Church Fathers all of which lead to a radical rethinking of the origins of rabbinic midrash and indeed of the Rabbis as a whole The American and English Encyclopædia of Law: Jointure to Lease ,1890
