EXODUS 20:1-17

ACCORDING TO ANCIENT SCRIPTURE, THE HEBREWS WERE CAST OUT OF EGYPT BY PHARAOH AND MADE TO WANDER THROUGH THE DESERT IN SEARCH OF THE PROMISED LAND. GOD SPOKE TO THE PROPHET MOSES ON MOUNT SINAI IN THE EGYPTIAN DESERT, WHERE HE ORDERED MOSES TO TAKE HIS COMMANDMENTS TO HIS PEOPLE, SO THEY COULD LIVE ACCORDING TO HIS WISHES. THESE LAWS FORM THE BASIS OF THE MODERN RELIGIONS OF JUDAISM AND CHRISTIANITY.

The Ten Commandments Billy Graham, Billy Graham Evangelistic Association, 2005 **The Ten Commandments** Patrick D. Miller, 2009-08-06 In this volume Patrick D Miller studies the Ten Commandments as ancient document and as contemporary guide With careful attention to each commandment in its original context this book shows the reader the modern relevance of these basic principles as well as how the ideas of each commandment influenced the New Testament More than an intellectual exercise *The Ten Commandments* applies the call of the commandments to modern day issues Westminster John Knox Press is proud to introduce an exciting new phase in the renowned Interpretation commentary series Instead of focusing on individual books of the Bible these new volumes will focus on the Bible's most enduring passages and most vital themes bringing to these topics the insight and faithful wisdom that are longtime hallmarks of the Interpretation series This expanded Interpretation series will be an excellent resource for all those who teach preach and study the Bible

The Ten Commandments William P. Brown, 2004-01-01 Offering a host of classic and new essays surveying the scholarly ethical and biblical debate surrounding the Ten Commandments William Brown organizes his volume into three parts the history of interpretation contemporary reflections on the Decalogue as a whole and contemporary reflections on individual commandments A useful addition to ethics as well as Old Testament and Hebrew Bible courses Brown's *The Ten Commandments* will be a standard reference for all Decalogue research as it facilitates a helpful balance between moral theological and biblical study The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts in easily accessible form Volumes in this series will enable sustained dialogue with predecessors through reflection on classic works in the field Ten J. John, 2000 Can we really expect an ancient list of do's and don'ts to apply to life in the twenty-first century J John believes that far from being outdated or irrelevant God's ten commandments represent the best compass for a society that is lost in a thick moral fog Imagine a world where people loved each other What would it look like How would people behave towards one another J John explores an ancient code of behaviour that provides a window on life as it should be life as it could be where respect for others and for God determines everything we do The name that code normally goes by is the Ten Commandments But be prepared for a few surprises The Ten Commandments and the Beatitudes Yiu Sing Lúcas Chan, 2012-09-20 The Ten Commandments and the Beatitudes are often considered significant texts for the Christian moral life However most interpretations of these passages either focus on the original meaning of the text or how the texts should impact ordinary living today In *The Ten Commandments and the Beatitudes* Yiu Sing L c s Chan brings together biblical studies and Christian ethics to look at these foundational texts in a new way For each passage Chan asks both what the texts meant and what they mean today He helps readers to carefully study the text's original meaning then interpret the text within a sound ethical framework *The Ten Commandments and the Beatitudes* is an excellent introduction to key concepts in biblical studies and

Christian ethics that combines sound study with warmth and wisdom Ten Commandments John C. Williams, 2012-11 God has given us ten simple rules to follow that we may have life and have it more abundantly From the time He unveiled the Ten Commandments to the children of Israel at Mount Sinai until now God's people have been identified by the fact that they follow His commandments The Ten Commandments are the Christian's code of conduct that separates us from the rest of the world and serves as a barometer of our allegiance to the Creator of the universe Ten Commandments The Christian Code of Conduct examines the commandments of God and how they apply to the Christian life The book also addresses one of the most misunderstood commandments the fourth commandment and the call to observe the biblical Sabbath Many Christians differ on their interpretation of this commandment but through a clear study of the Bible this book points to the truth of the Sabbath and the importance for Christians to follow all ten commandments As the end of the world draws near those who will be ready for Christ's return are those who keep the commandments of God and the faith of Jesus Rev 14:12 May God's followers be found keeping all ten of His commandments

Contemplations on the Ten Commandments Vol. 2 H.H. Pope Shenouda III, 1993-07-02 The Ten Commandments were not meant for the times of the prophet Moses nor the times of the Old Testament but were rather addressed to every generation till heaven and earth pass away one jot or one tittle will by no means pass from the law Matt 5 18 Through Christianity the Ten Commandments were given a new meaning which coincided with the new standards understood by the believers in the New Testament So the Commandments remain the same but their concept widens as God grants with His grace an opportunity for meditation How true then was the prophet David when he said I have seen the consummation of all perfection But Your commandment is exceedingly broad Ps 119 96 This series of lectures were given in 1967 and have been published more than once Pope Shenouda III *The Ten Commandments* Emmet Fox, 1953 *The Ten Commandments* Michael Coogan, 2014-04-28 Are the Commandments really written in stone A biblical scholar offers an engrossing and enlightening guide to one of the world's great legal codes Booklist In this lively provocative book Michael Coogan takes us into the ancient past to examine the Ten Commandments also known as the Decalogue How among all the laws reportedly given on Mount Sinai did the Ten Commandments become the Ten Commandments When did that happen There are several versions of the Decalogue in the Old Testament so how have different groups determined which is the most authoritative Why were different versions created Coogan discusses the meanings the Ten Commandments had for audiences in biblical times and observes that the form of the ten proscriptions and prohibitions was not fixed as one would expect since they were purported to have come directly from God nor were the Commandments always strictly observed In later times as well Jews and especially Christians ignored and even rejected some of the prohibitions although the New Testament clearly acknowledges the special status of the Ten Commandments Today it is plain that some of the values enshrined in the Decalogue are no longer defensible such as the ownership of slaves and the labeling of women as men's property Yet in line with biblical precedents the author concludes that while a literal observance of the Ten Commandments is misguided some of their underlying ideals remain valid in a modern context *The Ten Commandments* Rose Publishing, 2021-10-05 Enjoy having a full color fold out chart that gives an in depth look at the Ten Commandments covering the meaning key principles biblical and modern day examples Jesus teachings and more Each commandment has both the traditional and contemporary wording Includes an explanation of each one and why it is important today Contains modern and biblical examples of each commandment Covers Commandments about our relationship to God Commandments about our relationship to other people Jesus and the Ten Commandments History of the Ten Commandments and why they

The Ten Commandments Laura Schlessinger,1999 **The Ten Commandments** Roderick C. Meredith,1972 **The Rational Bible: Exodus** Dennis Prager,2018-04-02 A national bestseller Why do so many people think the Bible the most influential book in world history is outdated Why do our friends and neighbors and sometimes we ourselves dismiss the Bible as irrelevant irrational immoral or all of these things This explanation of the Book of Exodus the second book of the Bible will demonstrate that the Bible is not only powerfully relevant to today s issues but completely consistent with rational thought Do you think the Bible permitted the trans Atlantic slave trade You won t after reading this book Do you struggle to love your parents If you do you need this book Do you doubt the existence of God because belief in God is irrational This book will give you reason after reason to rethink your doubts The title of this commentary is The Rational Bible because its approach is entirely reason based The reader is never asked to accept anything on faith alone As Prager says If something I write does not make rational sense I have not done my job The Rational Bible is the fruit of Dennis Prager s forty years of teaching the Bible to people of every faith and no faith On virtually every page you will discover how the text relates to the contemporary world and to your life His goal to change your mind and then change your life
