Tenebrae For Modern Times:

Tenebrae For Modern Times Marie A. Asner, 2000-10 Tenebrae For Modern Times combines scripture contemporary language and prose poetry in an innovative setting Within the framework of a standard worship service short reflections by six apostles are echoed by the musings of six contemporary people with similar concerns This juxtaposition reveals that little has changed in almost 2 000 years there are still taxes to pay and family situations to deal with Questions central to our lives are addressed How do I find time for my family How can I find time for church work and How can I bring God into my life The service does not require a sermon and there are suggested hymns and choral anthems for the church musician The format allows for participation by many readers yet the service is very adaptable for use by small congregations No props or costumes are required though the service may be performed in costume if desired This truly distinctive Good Friday resource combines the past present and future into a poignant worship experience Good Friday is an important day in the lives of Christians and Marie Asner s Tenebrae For Modern Times is a powerful way to make that day significant and meaningful in our lives She causes us to think deeply about our own relationship with the Lord with her references to Jesus disciples as well as modern people who struggle Each of us will be touched and changed by her inspired writings Kathy Collard Miller Author of the best selling God s Vitamin C for the Spirit series This deeply moving tenebrae service reflects Marie Asner s knowledge and love of scripture together with her multifaceted gifts in music writing speech training and poetry Its unique style and format beautifully mix contemporary with historical traditional expression both in the spoken word and in the various selections of music suggested for congregational hymns and choral anthems I believe that participating in this service may well be a life changing experience for those whose hearts are tuned to be in touch with the Spirit of the Lord Diana L James Author of the Bounce Back series A musician and freelance writer Marie A Asner holds music degrees from St Cloud State University St Cloud Minnesota She taught elementary music in Minnesota school systems prior to opening a private vocal and piano studio Asner has had inspirational stories published in such books as Bounce Back and Bounce Back Too Horizon Books as well as God s Unexpected Blessings Seasons of a Woman s Heart and Stories of God s Abundance for a More Joyful Life Starburst Publishers Marie also has had numerous articles appear in such magazines as The American Organist Clavier The American Music Teacher The Lutheran Christian Communicator and Crescendo Asner was awarded the Grand Prize in Writing at the 1998 Kansas City Christian Writers Conference and has also been nominated for a Kansas Governor s Art Award and the Mary Roberts Rinehart Award in Poetry A resident of Overland Park Kansas Asner s poem The City was recently selected to officially kick off Kansas City s 150th birthday celebration

Sherry, 1987 Examines Hill's verse within the context of British and American reaction to the great literary modernists of the early 20th century Poetry and the Question of Modernity Ian Cooper, 2020-01-15 Interest in Martin Heidegger was recently reawakened by the revelations in his newly published *Black Notebooks* of the full terrible extent of his political commitments in the 1930s and 1940s The revelations reminded us of the dark allegiances co existing with one of the profoundest and most important philosophical projects of the twentieth century one that is of incomparable importance for literature and especially for poetry which Heidegger saw as embodying a receptiveness to Being and a resistance to the instrumental tendencies of modernity *Poetry and the Question of Modernity From Heidegger to the Present* is the first extended account of the relationship between Heidegger's philosophy and the modern lyric It argues that some of the best known modern poets in German and English from Paul Celan to Seamus Heaney and Les Murray are in deep imaginative affinity with Heidegger's enquiry into finitude language and Being But the work of each of these poets challenges Heidegger because each appeals to a transcendence taking place in language that is inseparable from the motion of encounter with embodied others It is thus poetry which reveals the full measure of Heidegger's relevance in redefining modern selfhood and poetry which reveals the depth of his blindness **"Our Word is Our Bond"** Yangsoon Kim, 1998 Costerus E.
