Creative Bible Lessons from the Old Testament Laurie Polich, 2011-02-22 Okay so they used mule mail instead of e-mail but they were still surprisingly modern men and women With emotions decisions and dilemmas as raw and real as the students sitting in front of you every week David and Rahab Daniel and Ruth even with their rough edges they passionately loved Jehovah in a way today's adolescents can understand and emulate Here are 12 Old Testament character studies including Believe it or not Abraham Living by faith is not for wimps Faith overcomes a fast past Rahab What you live is what you believe Everything else is just talk The waiting game Joseph Trials and temptations can make us strong Benchwarmer to first string Moses Often God uses the least likely person to do great things Right woman right place right time Esther God has created each one of us for a purpose Keeping promises Ruth Commitment means more than saying the right words Bad days for good people Job Suffering may be the condition from which humans benefit the most The long way home Jonah Sometimes we simply say no to God And to help you teach the lesson are clips from easy to get videos games for mixing and games that teach in depth ready to use questions guaranteed to spark small group discussion original role plays scripts dilemmas faced by these ancient but very human believers in their Yahweh For youth workers Sunday school teachers and CE directors Creative Bible Lessons from the Old Testament will help your students understand that the God who offered hope and courage to ancient history makers still does the same for teenagers today 12 lessons *Organizing Your Youth Ministry* Paul Borthwick, 2004-03-01 We need to get organized around here That is the common cry of youth workers who feel burdened by so much to do in so little time so many responsibilities and so few results so much criticism it seems so little support Paul Borthwick agrees that getting organized is essential for effective your ministry and he has written an essential book to help those of you in youth ministry organize three different areas of your lives Personal How do your personal goals and your need for personal growth fit with your youth ministry If you're married are your spouse and children helped or hurt by your involvement with kids Are your other responsibilities suffering As Borthwick says Good ministry is the result of a balanced personal life Professional Do you see yourself as a youth professional Is your interaction with pastor and church board characterized by mutual respect It's the youth worker who will help other people see youth ministry as a profession and not just a fun and games operation Practical Is your budget balanced Do you frequently begin activities feeling only half prepared Do your volunteers and coworkers know what is expected of them Better planning and time management can create programs lessons and activities that help people grow learn and love each other Part I of Organizing Your Youth

Ministry examines the need to the youth minister to organize his or her personal life as well as ministry setting priorities and the special challenges of church youth ministry Part II addresses the philosophical foundations of youth ministry organization Why do we do what we do What is it young people really need How do you work with a team Where do parents fit in Part III discusses how to organize the daily weekly monthly and yearly administrative demands of the youth ministry from budgets to retreats from activities to Sunday school lessons from choir to missions projects from discipleship programs to the special needs of junior high students Part IV helps us to evaluate our goals and to measure the effectiveness of our youth ministry always keeping in mind that as Borthwick says the ultimate purpose isn't just to produce better programs or a more efficient discipleship system but to present each person complete in Christ Col 1:28 NASB So if you like every other youth worker have too much to do too little time to do it in and sometimes don't know where to begin *Organizing Your Youth Ministry* can help Give it a try and you'll find out why Paul Borthwick says that organization can be a ministry in itself

Lee Barnett, Michael Severe, 2016-11-09 Ministry with Youth in Crisis is a comprehensive treatment of major adolescent crises related to life themes including self identity faith formation family life social relationships sexuality suicide substance abuse and eating disorders The distinctiveness of this book is that it offers a fine blend of solid research workable theory and specific strategies for successfully ministering to and with youth in crisis Furthermore it emphasizes the caring and sensitive side of working effectively with adolescents experiencing both normal and extreme crisis situations This volume therefore is both descriptive and prescriptive in nature in that it describes the world teens live in and offers biblical responses for ministry
