

Congressional Term Limits

- ◆ Congressional members have NO term limits
 - ◆ May be reelected as many times as possible
- ◆ *U.S. Term Limits, Inc. v. Thornton* (1995)
 - ◆ Supreme Court overruled Arkansas law imposing term limits on U.S. congressional representatives

Term Limits For Congress

Stephen J. Safranek

Term Limits For Congress:

Term Limits for Members of Congress, 1998 In 1990 term limit advocates began their campaign to limit congressional terms by changing state laws amending state constitutions and passing state ballot initiatives rather than by amending the U S Constitution Their strategy was to circumvent the more difficult and time consuming amendment process at the federal level and go directly to the voters and legislatures of each state By mid 1995 voters or legislatures in 23 states had approved congressional term limits In 1995 however the U S Supreme Court ruled that state imposed limits on congressional tenure violate the Constitution and that term limits can only be set through passage and ratification of an amendment to the U S Constitution Since then term limit supporters have pressed Congress to propose a constitutional amendment and encouraged state legislatures to pass resolutions calling on Congress to propose a constitutional amendment Since the 1996 general election some proponents of a national constitutional convention to consider term limits have redirected their activities toward pressing Congress to propose an amendment limiting House Members to three terms 6 years and Senate Members to two terms 12 years Some term limit advocates are also working to elect more candidates who pledge to limit themselves to three House terms and two Senate terms

Term Limits for Members of the U.S. House and Senate United States. Congress. House. Committee on the Judiciary. Subcommittee on the Constitution, 1996 **Every 20 Years** Thomas E. McDonald, 2014-06-05 Term limiting members of congress may not be the answer to the problems facing the governing of this country An alternative solution to term limits would be for every member of congress both house and senate to stand for a national retention vote every 20 years The entire voting populace of the country not just the voters in each of their respective districts and states would vote if congress should remain in office or be turned out of office as a body Consequently no matter when elected all 435 members of the House of Representatives and all 100 members of the Senate could be voted out of office every 20 years This book sets forth a reasoned and logical argument for such a proposal and the processes that would be implemented to ensure a smooth and orderly transitional replacement of our legislative branch of government should it be necessary Term Limits for Members of the U.S. Senate and House of Representatives United States. Congress. House. Committee on the Judiciary. Subcommittee on Civil and Constitutional Rights, 1994

Congressional Term Limits Amendment United States. Congress. House. Committee on the Judiciary, 1997

Constitutional Amendment to Limit Congressional Terms United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution, Federalism, and Property Rights, 1996 **Constitutional Amendment to Limit Congressional Terms** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution, Federalism, and Property Rights, 1996 The Politics and Law of Term Limits Edward H. Crane, Roger Pilon, 1994-09-01 Would term limits be a good idea Would they be constitutional The Founding Fathers did not include term limits in the Constitution because they thought citizen legislators not professional politicians would be the rule An

overwhelming number of voters from every demographic group in the nation believe that should be the case today

The Politics and Law of Term Limits presents both sides of the issue and lets the reader decide *Term Limits* Gideon Doron, Michael Harris, 2001-01-01 The emergence and impact of the modern term limits movement is a unique story of political development and transformation Despite its significant impact on politics and policy making the 1990s implementation of term limits at the state level has received limited scholarly attention This book divided in two parts presents an overview and detailed analysis of the origins and effects of the movement The first part analyzes the political concept of term limits and its theoretical foundations The second part focuses on the modern process of implementation at the state level Term Limits will be of significant interest to legislators government officials lobbyists members of the judicial branch of state government and anyone who seeks an explication of this movement within its full political economic judicial and historical context The Term Limit Revolution Scott Murphy, 2019-03-14 An overwhelming majority of people in this country want term limits Exactly what those term limits should be and how to get them are where the debate begins The Term Limit Revolution is a decidedly non partisan book that details the need for term limits and lays out a straightforward plan for getting a Constitutional Amendment passed Term Limits, 1992 Setting term limits for Members of Congress has long been talked about but proposals drew little attention In the last three years however a national term limit movement has suddenly grown up building on Americans longstanding distrust of professional politicians and recent complaints of abuses by members of Congress But term limits face a seemingly insurmountable obstacle Congress itself which is unlikely to approve a constitutional amendment restricting congressional tenure To circumvent Congress term limit supporters are trying a legally uncertain strategy initiatives to limit terms of congressional delegations in individual states Colorado voters approved a 12 year limit in 1990 but Washington state rejected a more stringent measure in November Now efforts are under way to place initiatives on the ballot in at least a dozen states **Term Limits for Members of Congress** Sula P. Richardson, L. Paige Whitaker, 1997 **Term Limits for Congress?** Barbara Silberdick Feinberg, 1996-01 Examines the historical context of and current debate on the idea of term limits for members of Congress **Giving Up on Democracy** Victor Kamber, 1995-10-01 The hottest political issue in America term limits embodies voter fury at incumbent officeholders and the failures of Congress But now in this controversial new book Victor Kamber argues that term limits themselves are a disastrous quick fix and must be stopped Providing for the Consideration of House Joint Resolution 2, Congressional Term Limits Amendment United States. Congress. House. Committee on Rules, 1997 *Term Limits for Members of Congress* Sula P. Richardson, 1996 **The Test of Time** Rick Farmer, John David Rausch, John Clifford Green, 2003-01-01 The Test of Time moves beyond the realm of speculation and punditry to analyze the observable and measurable effects of the early experiences of state legislature term limits Setting the agenda for future term limits studies this volume brings together fifteen outstanding empirical studies contributed by top political scientists and state policymakers Five of the essays

case studies of key states offer depth and context for understanding the shifting institutional changes wrought by term limits at the state level The remaining chapters develop these findings through cross state comparisons that examine how legislatures legislators and political linkages such as lobbying and electoral competition have been affected by the imposition of legislative term limits Supported by a comprehensive annotated bibliography of term limits literature and a history of the term limits movement this work will be an enduring resource for academics teaching courses in state government and practitioners either experiencing term limits or preparing for term limits to take effect

The Constitutional Case for Term Limits Stephen J. Safranek,1993 **The Legal Parameters of Term Limitations for United States Congressmen and Senators** Jeffrey Leigh Sedgwick,1993 State Legislative Term Limits Keon S. Chi,Drew Leatherby,1998
