**Outline of Labor Problems in Modern Society** Paul Howard Douglas, William Aylott Orton, 1924 **What Is the Sangha?** Sangharakshita (Bhikshu), Sangharakshita, 2000 The Sangha the spiritual community is traditionally one of the three highest ideals of Buddhism alongside the Buddha and the Dharma Here Sangharakshita presents the ideal Sangha as a free association between developing individuals An exploration of the nature of spiritual community is balanced by reflections on individuality and what it is to be truly human Since the Sangha is all about relationships the final part of this book considers the individual s relationship to others friends family fellow workers and spiritual teachers and the connections of the Buddhist community to the world as a whole Sangharakshita s vision shapes and enlivens this book transforming Sangha from an idea to an inspiring and practical ideal Copyright Libri GmbH All rights reserved **Proceedings of the High School Conference** University of Illinois.
