The Christmas Quilt Vannetta Chapman, 2013-10-15 Annie's life is deliciously full as the Christmas season approaches. She helps her husband Samuel attend to the community's minor medical needs. She occasionally assists Belinda, the local midwife, and most days she finds herself delivering the buggy to her brother Adam. Annie's sister-in-law Leah is due to deliver their first child before Christmas morning, and Annie is determined to finish a crib quilt before the baby arrives. With six weeks to go, she should have no problem, but God may have a different plan. Leah is rushed to the English hospital when the infant arrives early, and Annie discovers the Christmas quilt may hold a far greater significance than she ever imagined.

The Christmas Quilt / The New Year's Quilt Jennifer Chiaverini, 2008 Master quilter Sylvia Bergstrom Compson helps her friend Sarah McClure uncover the story of an unfinished Christmas quilt and works on a new quilt for her reluctant daughter-in-law that depicts holiday memories of Elm Creek Manor.

The Christmas Boutique Jennifer Chiaverini, 2019-10-01 New York Times bestselling author Jennifer Chiaverini returns with a delightful Christmas-themed installment in her beloved Elm Creek Quilts series: a captivating, heartwarming tale sure to become a holiday favorite. Just weeks before Christmas, severe wintry weather damages the church hall hosting the Christmas Boutique, an annual sale of handcrafted gifts and baked goods that supports the county food pantry. Determined to save the fundraiser, Sylvia Bergstrom Compson offers to hold the event at Elm Creek Manor, her ancestral family estate and summertime home to Elm Creek Quilt Camp. In the spirit of the season, Sylvia and the Elm Creek Quilters begin setting up market booths in the ballroom and decking the halls with beautiful hand-made holiday quilts. Each of the quilters chooses a favorite quilt to display, a special creation evoking memories of holidays past and dreams of Christmases yet to come. Sarah, a first-time mother expecting twins, worries if she can handle raising two babies, especially with her husband so often away on business. Cheerful, white-haired Agnes reflects upon a beautiful appliqué quilt she made as a young bride and the mysterious, long-lost antique quilt that inspired it. Empty nesters and occasional rivals Gwen and Diane contemplate family heirlooms and unfinished projects as they look forward to having their children home again for the holidays. But while the Elm Creek Quilters work tirelessly to make sure the Christmas Boutique happens, it may take a holiday miracle or two to make it the smashing success they want it to be. Praised for her ability to craft a wonderful holiday mix of family legacy, reconciliation, and shared experiences, Tucson Citizen Jennifer Chiaverini once again rings in the festive season with this eagerly awaited addition in her beloved series.

The Christmas Quilt Tee Meadows, Peter Arango, 2011-05-01 On the first Saturday in October, Jo Benjamin awoke, pulled her blanket closer, and thought about color. Jo Benjamin, emotionally guarded wife and mother, is a woman who loves to quilt. She has struggled in accepting love and friendship but finds in quilting a capacity for gratitude and for

embracing the gifts her life presents Maybe she could have recovered without quilting for example books had always been a refuge for Jo but there was something about the quilting midwifery that went beyond hobby or pastime she was crafting herself out of scraps and tatters Each project called her to something important and allowed her to bear witness to hope Her quilts were affirmations of the better parts of ordinary people Opened by her craft to possibilities that she had never recognized Jo contends with the cost of living fully Each quilt tells a story and each story propels Jo toward understanding that she must complete a Christmas quilt The challenge is a daunting one but working with fabric transforms Jo It struck Jo that the swirl of contending thoughts in her mind was quieted when she worked with fabric Her delight in texture and color and the satisfaction she took in solving problems of construction made the time she spent in quilting seem a different sort of time Hours sped by of course and she had a lovely artifact when she finished but the gift for Jo was in the process of finding out what the fabric had to say to her imagination Quilts seem to present themselves unbidden exactly as Jo has need of them From the broken places in Jo the necessary next right story emerges A quilt begins with scraps Each piece is entirely itself and entirely necessary to the quilt as a whole What then is the quilt in the end The intricate design Or the pieces that form the pattern A quilt is a story and a story about stories The Christmas quilt is finally the story Jo was meant to tell She knew too that the act of imagining allowed her to recognize and feel kindness and generosity of spirit as it worked in the world Somehow as her hands moved her capacity for gratitude was moved as well
