The Chronicles Of In Time You Will Know The Separation:

In Time You Will Know Mary Jo Evans,2001-08-01 The intriguing questions that plague all of humanity in their desire and push to gain knowledge are sometimes answered but most often not to satisfaction The search for these answers oftentimes lead us on fantastic journeys and such is the case here The tale of one such journey is a wonderful voyage into the imagination Stories and events from the Bible are delightfully spun here and cleverly intertwined with the actual scriptures In this first book of the series the adventure begins with the fall from Grace The hearts that chose to leave the Kingdom of Eternal were on the King s Counsel they were His dearest and closest friends At the Gate of Peace the King changed their names from the Good and Kind hearts He knew to the Cruel and Evil hearts they had become The brothers chose to follow the one that the King had installed as the Heart Protector and teacher of the young After all he was their big brother But the King no longer saw him as a Protector now He could only see him as the Attacker and betrayer of all When the gates closed behind them the Attacker s niece Smiling was reluctantly taken along with them Young Bold with the help of his friends and in defiance of his father set out to bring his sweetheart back Pure Bold s father dispatches the warrior angels Brave Smart and Comfort to look after and aid the young hearts The young twin Jin Min s brother overhears a conversation that holds a dire consequence for the rebellious Attacker and his followers Jin tells his sister about the conversation and the two go in search of help They are led to the Garden of Promise where the Cherubs dwell The Cherubs not knowing the circumstances agree to help the twins When the Mistress Angel guardian of the Cherubs discovers what has taken place she immediately informs the King Joyful and Jin became instant friends when the two discover they have mutual interests and love to gain knowledge by exploring the unknown The unknown in Jin s world becomes a reality when he finally gets an answer to his question of why their names Min and Jin don t fit Min realizes she too has a wonderful new friend in Charity The friendship the two develop continues to strengthen and grow as they traveled and Hopeful was kept busy trying to keep everything in order It is an adventurous comical and moving story that will share its fears dreams and joys that we find in a unique everyday kind of life setting The adventure takes the travelers to many unusual places where they encounter a variety of characters that ultimately lead our friends to Safe Harbor and some answers Does Jin get the answer of why the twins don t have names that fit Experience the journey and enjoy the suspense and In Time You Too Will Know A delightful reading for both young and old and everyone in between **The Chronicles of England, France, Spain Etc. Etc** Jean Froissart,1891

Rose and Marcus: The Damnation Chronicles: Books 1-4 Joseph Sweet,2013-10-09 The Damned Attempting to save his sister s life Marcus is trapped in the underworld forced to watch through the eyes of a shape shifting demon as it destroys all which he holds dear to torment him How far will he go to escape and save those he cares about And will the price be more than he can bear Redemption Lost in the land of the dead with no memory and separated from Rose Marcus must face the coming trials with his soul and sanity intact Rose meanwhile must face her past and rise above the darkness within or fall

A Common Sense Guide To End Times Scriptures](#) Michael Reed,2017-08-25 The subject of the return of Jesus has fueled speculation ever since He left When is He coming Will we know when He is about to return Are the things happening in our world today signs of the times What does the book of Revelation say about the return of Jesus And what about the nation of Israel What role do they play in end times scenarios Mike Reed attempts to address these and other questions about Christ s return in this book For the average person and even for those who have studied the topic for awhile the subject of Christ s return can be overwhelming In this book the author will attempt to guide the reader into an understanding of the return of Christ first based upon what Jesus said about it and then looking at what the apostles and prophets have said The basis for the confusion on the subject is because most authors have not followed that sequence This is a book written for laymen It attempts to utilize good scholarship but it is written for the nonacademic follower of Jesus who wants to understand what our Lord said about this most important topic The book is also written with the desire to be a good example of how to utilize sound and time honored methods of interpretation which can be applied to any topic of scripture *Anthology of the Biblical Revolution Evolution Series* Michael Stansfield,2020-02-13 As primitive civilization developed society has established cornerstones in our thought and reasoning Things we are told repeatedly as fact from birth and are thus believed instinctively Many of these cornerstones now date back many millennia such as the Bible The BER Series takes a candid look into the Bible to explore how the theological beliefs within Institutional Religion have affected society in diabolical ways These books also challenge the church s theological cornerstones to prove that they deviate from the Bible and truly have an obscured understanding of the Divine Thus the goal is to bring an overdue debate to organized religion The hope is to remove the barriers that deny humanity the

evolution of our species No topic is out of bounds A person could listen to ten lifetimes of sermons and never get even a fraction of the candor of these books Love them or hate them you will be unable to put them down and you will never see the World or the Divine the same way again
