The Church Is Israel Now:

The Church Is Israel Now Charles D. Provan, 2024-01-10 During this century Christians have been told over and over again that God has an unconditional love for Old Testament Israel by which is meant that God's love is directed toward persons racially descended from Abraham regardless of faith or obedience Membership in Israel therefore is viewed as a matter of race not faith The Church is Israel Now demonstrates that the Bible totally repudiates this racist viewpoint Being a member of Israel in the Old Testament was dependent upon faith and obedience to God When the Israelites obeyed God God loved them But when they turned from Him He hated them stripping them of their Israelite status After centuries of Israelite rebellion against God culminating in their rejection of Jesus the Messiah the titles attributes and blessing of Israel were transferred to all those who accepted Jesus Christ as Lord and Savior and to no one else regardless of Abrahamic descent The church is Israel now

The Banner of Israel, 1915 **The Old and the New** Laurent Clemenceau, 2022-01-01 In a highly accessible way The Old and the New is a call for Christians to discover or rediscover the richness of the Bible through a study of the links that unite the Old and the New Testaments which Pastor Laurent Clemenceau shows as the heart of the message of the early witnesses of the gospel and of Christian faith today In doing so the author invites readers to discover how the Bible presents the identity and work of Jesus Christ that as Blaise Pascal wrote lie at the center of both Testaments the Old as its expectation the New as its model It is a call to contemplation witness and celebration

The Non-Protestant Baptists Wm. F. Bekgaard, 2008 This book is a detailed study on the nature of the Church as found in the New Testament It is also a defense of the antiquity of the Baptists showing that it is of neither Protestant nor Reformation era origin It contains an analysis of those people and churches known as Anabaptists

Presents a doctrine of Scripture based on Hebrews in dialogue with Augustine and Calvin What vision of biblical authority arises from Scripture s own use of Scripture This question has received surprisingly little attention from theologians seeking to develop a comprehensive doctrine of Scripture Today When You Hear His Voice by Gregory W Lee fills this gap by listening carefully to the Epistle to the Hebrews Lee illuminates the unique way that Hebrews appropriates Old Testament texts as he considers the theological relationship between salvation history and scriptural interpretation He illustrates these dynamics through extended treatments of Augustine and Calvin whose contrasting perspectives on the covenants Israel and the literal and figural senses provide theological categories for appreciating how Hebrews innovatively presents Scripture as God s direct address in the contemporary moment The Metropolitan Tabernacle Pulpit Charles Haddon Spurgeon,1894
