The Citizen Kane:

The Citizen Kane Book Herman Jacob Mankiewicz, Orson Welles, 1974 **Orson Welles's Citizen Kane** James Naremore, 2010-04-10 Citizen Kane is arguably the most admired and significant film since the advent of talking pictures No other film is quite so interesting from both artistic and political points of view To study it even briefly is to learn a great deal about American history motion picture style and the literary aspects of motion picture scripts Rather than presenting a sterile display of critical methodologies James Naremore has gathered a set of essays that represent the essential writings on the film It gives the reader a lively set of critical interpretations together with the necessary production information historical background and technical understanding to comprehend the film s larger cultural significance Selections range from the anecdotal Peter Bogdanovich s interview with Orson Welles to the critical with discussions on the scripts and sound track and a discussion of what accounts for the film s enduring popularity Contributors include James Naremore Peter Bogdanovich Jonathan Rosenbaum Robert L Carringer Fran ois Thomas Michael Denning Laura Mulvey Peter Wollen and Paul Arthur *The Citizen Kane Book; Includes 'Raising Kane' by Pauline Kael and 'The Shooting Script' by Herman J. Mankiewicz and Orson Welles* Pauline Kael, Herman J. Mankiewicz, Orson Welles, 1971 *The Citizen Kane Book* Pauline Kael, Herman Jacob Mankiewicz, Orson Welles, 1971 *Citizen Kane* Orson Welles, Herman Jacob Mankiewicz, Pauline Kael, 2002 The complete screenplay of one of the world s most famous and controversial films A definitive chronicle of the making of the film Sheridan Morley Films Filming This is the complete companion to Citizen Kane the film that was designed to shock Kenneth Tynan one of the best loved and best known movies in the history of Hollywood and still the most staggering film debut ever Not only was this Orson Welles s first film as actor and director but most of the cast were also new to the cinema Yet so controversial was the subject matter that an 842 000 bribe and the concentrated wrath of the Hearst newspaper empire combined in an attempt to strangle its distribution And the authorship of the film is still a subject of conflict Pauline Kael s long essay Raising Kane dissects a maze of Hollywood lore to re evaluate these and many other fascinating stories about the making of this remarkable film Her account is followed by the original screenplay illustrated with stills and frame enlargements Citizen Kane revolutionised film making and the question of its authorship is as important to the cinema as that of Hamlet to the theatre Pauline Kael explains how the picture came to be made and concludes that the man most responsible for its creation was not Welles but Herman J Mankiewicz Kenneth Tynan Observer [Who Wrote Citizen Kane?](#) Warren Buckland, 2023-09-28 This book offers a solution to one of film history s major controversies the long running dispute over Orson Welles and Herman J Mankiewicz s contributions to the Citizen Kane screenplay It establishes the vital importance of computing and statistics to solving previously intractable puzzles in the arts and humanities Citizen Kane 1941 is one of the most acclaimed films in the history of cinema For 50 years it topped the Sight Sound film critics poll Orson Welles directed the film and is credited with co writing the screenplay with Herman J Mankiewicz But the co writer

credit generates furious disputes between those who argue Mankiewicz is the sole author of Citizen Kane and those who claim that Welles collaborated fully with its writing The author employs computing and statistics to answer two questions What are the distinguishing features of Welles and of Mankiewicz s writing And What did each contribute to the writing of the Citizen Kane screenplay To answer these questions the author bypasses opinions and impressions and instead subjects the language of the Citizen Kane screenplay to a forensic examination Employing linguistics basic statistical tests plus computer technology and software the author identifies the stylistic signature of each author the combination of consistent and regular linguistic habits that make each author s writing distinctive This book replaces impressionistic discussions of Mankiewicz s and Welles contributions to the Citizen Kane screenplay with a rigorous experiment driven statistical analysis Earlier statistical studies of authorship have discovered that small unassuming language features such as punctuation pronouns and prepositions in statistically significant quantities constitute a screenwriter s distinctive writing habits Only with the extensive experimentation carried out in this volume did the author decide Mankiewicz s and Welles specific habits and their contributions to Citizen Kane

Pauline Kael,1985-05-01 **The Citizen Kane Book** Pauline Kael,1991 Focus on Citizen Kane Ronald Gottesman,1971 **Citizen Kane** Laura Mulvey,2019-07-25 Citizen Kane s reputation as one of the greatest films of all time is matched only by the accumulation of critical commentary that surrounds it What more can there be to say about a masterpiece so universally acknowledged Laura Mulvey in a fresh and original reading illuminates the richness of the film both thematically and stylistically relating it to Welles s political background and its historical context In a lucid and perceptive critique she also investigates the psychoanalytic structure that underlies the film s presentation of Kane s biography for once taking seriously what Orson Welles himself disparagingly referred to as dollar book Freud In her foreword to this special edition published to celebrate the 20th anniversary of the BFI Film Classics series Laura Mulvey focuses on the film s politics highlighting the contemporary rhymes in Kane s portrayal of a scandal prone press baron in a time of economic crisis
