## **The Coalitional Presidency:**

The Coalitional Presidency Lester G. Seligman, Cary R. Covington, 1989 This book should be of interest to undergraduate courses in American politics

*Coalitional Presidentialism in Comparative Perspective* Paul Chaisty, Nic Cheeseman, Timothy J. Power, 2018 This book provides the first cross regional study of an increasingly important form of politics coalitional presidentialism Drawing on original research of minority presidents in the democratising and hybrid regimes of Armenia Benin Brazil Chile Ecuador Kenya Malawi Russia and Ukraine it seeks to understand how presidents who lack single party legislative majorities build and manage cross party support in legislative assemblies It develops a framework for analysing this phenomenon and blends data from MP surveys detailed case studies and wider legislative and political contexts to analyse systematically the tools that presidents deploy to manage their coalitions The authors focus on five key legislative cabinet partisan budget and informal exchange of favours tools that are utilised by minority presidents They contend that these constitute the toolbox for coalition management and argue that minority presidents will act with imperfect or incomplete information to deploy tools that provide the highest return of political support with the lowest expenditure of political capital In developing this analysis the book assembles a set of concepts definitions indicators analytical frameworks and propositions that establish the main parameters of coalitional presidentialism In this way *Coalitional Presidentialism in Comparative Perspective* provides crucial insights into this mode of governance Oxford Studies in Democratization is a series for scholars and students of comparative politics and related disciplines Volumes concentrate on the comparative study of the democratization process that accompanied the decline and termination of the cold war The geographical focus of the series is primarily Latin America the Caribbean Southern and Eastern Europe and relevant experiences in Africa and Asia The series editor is Laurence Whitehead Senior Research Fellow Nuffield College University of Oxford

The Coalitions Presidents Make Marcus Mietzner, 2023-12-15 In *The Coalitions Presidents Make* Marcus Mietzner explains how Indonesia has turned its volatile post authoritarian presidential system into one of the world s most stable He argues that since 2004 Indonesian presidents have deployed nuanced strategies of coalition building to consolidate their authority and these coalitions are responsible for the regime stability in place today In building coalitions Indonesian presidents have looked beyond parties and parliament the traditional partners of presidents in most other countries In Indonesia actors such as the military the police the bureaucracy local governments oligarchs and Muslim groups are integrated into presidential coalitions by giving them the same status as parties and parliament But while this inclusiveness has made Indonesia s presidential system extraordinarily durable it has also caused democratic decline In order to secure the stability of their coalitions presidents must observe the vested interests of each member when making policy decisions *The Coalitions Presidents Make* details the process through which presidents balance their own powers and interests with those of their partners encouraging patronage oriented collaboration and disincentivizing confrontation

Presidents and the American Presidency Lori Cox

Han, Diane Heith, 2025-12-29 *Presidents and the American Presidency Fourth Edition* engages students in the study of the presidency through an exploration of both the political institution and those who have held the office. Considering both the strengths and the weaknesses of the office, authors Lori Cox Han and Diane J. Heith move beyond purely theoretical analysis to examine the real-life day-to-day responsibilities and challenges of the presidency. Drawing upon a foundation based on archival documents, historical and contemporary issues, and extensive coverage of methodology, this comprehensive text combines the presidency-centred and president-centred approach to chronicle the evolution of the office. Along with up-to-date presidency research, both qualitative and quantitative, each chapter includes several special sections. Then and Now looks at one key issue using a comparative two case study approach with a recent and historical example. In Their Own Words uses archival documents to allow a president and/or members of their administration to articulate their positions and perspectives in their own words. Researching the Presidency presents a scholarly debate within the subfield, and Diversifying the Presidency considers both recent progress and future challenges in bringing more diverse representation to the institution of the presidency. New for the Fourth Edition: New chapter on the nomination process in a presidential election cycle. Fully updated through the 2024 election, including the post-presidency issues and the second presidency of Donald Trump. Each chapter includes suggested readings, related web pages, and updated feature boxes that provide additional examples and historical context to the topics discussed. Fully updated to include the chaotic early days of the second Trump term, this book will appeal to students and scholars of American government, the presidency, leadership studies, and media studies, as well as general readers who quest for a deeper understanding of the politics of the White House.

*The Presidency of Andrew Jackson* Donald B. Cole, 1993. In 1829, Andrew Jackson arrived in Washington in a carriage. Eight years and two turbulent presidential terms later, he left on a train. Those years among the most prosperous in American history saw America transformed not only by growth in transportation but by the expansion of the market economy and the formation of the mass political party. Jackson's ambivalence and that of his followers toward the new politics and the new economy is the story of this book. Historians have often depicted the Old Hero or Old Hickory as bigger than life, so prominent that his name was wed to an era. Donald Cole presents a different Jackson, one not always sure of himself and more controlled by than in control of the political and economic forces of his age. He portrays Jackson as a leader who yearned for the agrarian past but was also entranced by the future of a growing market economy. The dominant theme of Jackson's presidency, Cole argues, was his inconsistent and unsuccessful battle to resist market revolution. Elected by a broad coalition of interest groups, Jackson battled constantly, not only his opponents but also his supporters. He spent most of his first term rearranging his administration and contending with Congress. His accomplishments were mostly negative: relocating Indians, vetoing road bills, and the Bank bill, and opposing nullification. The greatest achievement of his administration, the rise of the mass political party, was more the work of advisers than of Jackson himself. He did, however, make a lasting imprint. Cole contends. Through

his strength passions and especially his anxiety Jackson symbolized the ambivalence of his fellow Americans at a decisive moment a time when the country was struggling with the conflict between the ideals of the Revolution and the realities of nineteenth century capitalism

**Political Handbook of the World 2012** Tom Lansford, Tom Muller, 2012-04-02 For this edition the Handbook editors have attempted to cover national elections for all of 2011 This information is incorporated within the regular text wherever possible or in headnotes at the beginning of the country entries for elections that occurred in the latter part of the year Each entry begins with information on a country's political status area population major urban centers languages currency and head of state and chief executive Demographic and economic information is presented in the section titled The Country while political background constitution and government foreign relations and current issues are examined in Government and Politics Political Parties and Groups provides an extensive analysis of formal parties political groupings and any antigovernment or illegal formations Each entry ends with an overview of the nation's legislature a current cabinet list and a brief intergovernment representation section including a membership list of intergovernment organizations for the respective country

**A History of the Presidency ...** Edward Stanwood, 1898

**Making the Managerial Presidency** Peri E. Arnold, 1998 Examines the political history of administrative reform undertaken by 20th century presidents Attempting to explain the growth of modern bureaucracy within an 18th century framework and the expansion of presidential control over administrative powers the author explores the relationship between administrative theory and the dilemmas posed for a developing administrative state by the separation of powers He also looks at and compares successive cases of presidentially initiated comprehensive reform planning in order to understand the implications for the president's institutional role Paper edition unseens 25 00 Annotation copyrighted by Book News Inc Portland OR

**Political Handbook of the World 2022-2023** Tom Lansford, 2023-06-09 The Political Handbook of the World 2022 2023 provides timely thorough and accurate political information with more in depth coverage of current political controversies than any other reference guide The updated 2022 2023 edition continues to be the most authoritative source for finding complete facts and analysis on each country's governmental and political makeup Tom Lansford has compiled in one place more than 200 entries on countries and territories throughout the world this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system It also provides names of key ambassadors and international memberships of each country plus detailed profiles of more than 30 intergovernmental organizations and UN agencies And this update will aim to include coverage of current events issues crises and controversies from the course of the last two years

**Defining Americans** Mary E. Stuckey, 2004 Ranging broadly from Andrew Jackson to Bill Clinton and George W Bush Stuckey demonstrates how presidents accomplish the dual enactment of inclusion and exclusion through their rhetorical and political choices Our early leaders were preoccupied with balancing the growing nation later presidents were concerned with the nature and definitions of citizenship By examining the political speeches of

presidents exemplifying distinctly different circumstances she presents a series of snapshots which when taken together reveal both the continuity and the changes in our national self understanding *The Politicizing Presidency* Thomas J. Weko, 1995 From Truman to Clinton presidents have aggressively tried to expand their control over national government In the process they have vastly enlarged their White House staffs and politicized the federal bureaucracy with thousands of appointees in key administrative positions Thomas Weko argues that the Presidential Personnel Office PPO charged with screening and recommending such appointees both exemplifies and helps explain the enormous growth of presidential power since World War II Originally conceived as a small advisory group within the White House Office the PPO has grown enormously from a staff of two under Truman to as many as sixty under other presidents and now oversees nearly four thousand appointments per administration Weko charts the PPO's evolution and influence and shows how central it is to our understanding of modern presidential leadership Weko's starting point is Terry Moe's rational choice theory that it is the institution of the presidency not the sitting president that fosters centralization and politicization within the executive branch Amplifying and extending Moe's theory Weko persuasively links the PPO's explosive growth to the weakening of political parties the post Eisenhower disintegration of policy networks the growing impact of television news and the public's increasing readiness to hold the President accountable for policy failures The PPO's growth clearly has increased presidential control and bureaucratic responsiveness But Weko argues those results have had unanticipated and unwanted consequences that among other things have undermined the integrity and capabilities of administrative agencies Any improvement in the leadership of the executive branch he contends can only emerge from changes in the current institutional arrangement of the presidency itself Based on exhaustive research in White House files oral histories and memoirs and personal interviews with over 100 White House aides Weko's study provides a provocative new look at the White House Office and the modern presidency

**The Presidency of James Earl Carter, Jr** Burton Ira Kaufman, Scott Kaufman, 2006 A thoroughly revised updated and newly illustrated version of the Gaddis Smith called the best book on the totality of the Carter presidency The new edition includes more on the former president's foreign and environmental policies and expands coverage of the personal Carter as well as his wife Rosalyn's activist role during his administration *The Presidency of Franklin Pierce* Larry Gara, 1991 An examination of American expansionism and diplomacy during Pierce's administration

**The Presidential Campaign of 1832** Samuel Rhea Gammon, 1923 *Sessional Papers* Great Britain. Parliament. House of Commons, 1892 *Nelson's Perpetual Loose-leaf Encyclopaedia*, 1920 *Nelson's Encyclopaedia*, 1907 *Information Service*, 1930 *The Life and Public Services of H. Wilson, Late Vice-President of the United States* Elias NASON (and RUSSELL (Thomas) Collector of the Port of Boston.), 1876 **The Outlook** Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1927

### **The Coalitional Presidency Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Coalitional Presidency free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Coalitional Presidency free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search

feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Coalitional Presidency free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Coalitional Presidency. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Coalitional Presidency any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About The Coalitional Presidency Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Coalitional Presidency is one of the best book in our library for free trial. We provide copy of The Coalitional Presidency in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Coalitional Presidency. Where to download The Coalitional Presidency online for free? Are you looking for The Coalitional Presidency PDF? This is definitely going to save you time and cash in something you should think about.
