The Coming King:

The Coming King James Edson White, 1899 *A Glimpse of the Coming King* Richard J. Hill, 2018-04-26 In *A Glimpse of the Coming King* author Richard J. Hill explores what the Word of God teaches about the second coming of the Lord Jesus Christ. He invites believers to consider many biblical passages that predicted Christ's first coming and then those that describe His second coming. The Bible student can look to the prophetic words of the Bible and get a glimpse of our coming King and reflect on how He will return triumphant and victorious, ushering in a new epoch on this earth. This will be the time when the King of this entire universe, the Lord Jesus Christ, will return to this earth and be crowned King over all His created order. This small planet, so seemingly unimportant, will become the center of God's amazing plan for this universe. By preparing spiritually now and studying the prophetic Word of God, we will treasure this magnificent kingdom and delight in the coming days of the King. *Preparation of the Coming King* Pastor Regina C. Brent, 2018-03-09 The Lord says no one knows the day or the hour of His coming. But once the flame of our life has extinguished, does it mean that our existence is over? We cannot live forever. Or can we? Jesus Christ says we can if we are born again in His Spirit and receive Him as the soon coming King.

Such themes are worthy of careful consideration by every one who desires to make his home in the earth made new, where the throne of God and the Lamb will be finally located, where Christ is our King and Elder Brother with God for our loving Father, and with the redeemed of all ages and the angels of God as our companions, we shall dwell forever free from sorrow, sickness, pain, and death. The Coming King Craig Smith, 2019-03-10 It is not unusual for readers of the book of Revelation to feel confused about the message that it expresses Some attempt to make matters more clear by tying current events to the biblical text Rather than clarifying the picture this often muddles the picture even more Is the antichrist alive today How close are we to World War III and the end of the world This book is an attempt to answer such questions by looking at the teachings of the Bible itself with the goal of cutting through speculation and sensationalism in order to understand the clear message of the Bible
