The three main themes of Visitor Motivation Destination Management and Place Interpretation are addressed in this book from both a demand and supply perspective by examining a variety of case studies from around the world. This edited volume takes the dark tourism discussion to another level by reinforcing the critical intersecting domains of dark tourism and place identity and in particular highlighting the importance of understanding this connection for visitors and destination managers. Written by leading academics in the area this stimulating volume of 19 chapters will be valuable reading for postgraduate and advanced undergraduate students in a range of discipline areas researchers and academics interested in dark tourism and other interested stakeholders including those in the tourism industry government bodies and community groups. **DK Eyewitness Travel Guide: St. Petersburg** Christopher Rice, Melanie Rice, 2013-05-01 Now available in PDF format DK Eyewitness Travel Guide St Petersburg will lead you straight to the best attractions this city has to offer.
