

STEPHEN SENN

The background of the book cover is a light yellowish-tan color. In the upper right, there are several orange plastic pill bottles, some of which are tipped over, spilling red, oblong capsules onto a white grid. The grid is a standard graph paper with a vertical dashed line and a horizontal dashed line intersecting. A green curve starts on the left, dips, and then rises, crossing the horizontal dashed line. A red curve starts on the left and rises. A blue curve starts on the left and rises more steeply. A yellow curve starts on the left and rises. The red capsules are scattered across the grid and the background. The author's name 'STEPHEN SENN' is printed in black, uppercase letters in the top left. The title 'Statistical Issues in Drug Development' is printed in a large, dark red, serif font in the center. Below the title, 'Second Edition' is printed in a smaller, black, serif font. A solid dark red horizontal bar runs across the bottom of the cover.
